ENACTUS MAITREYI DONATION DRIVE

DATE: 11th April 2022

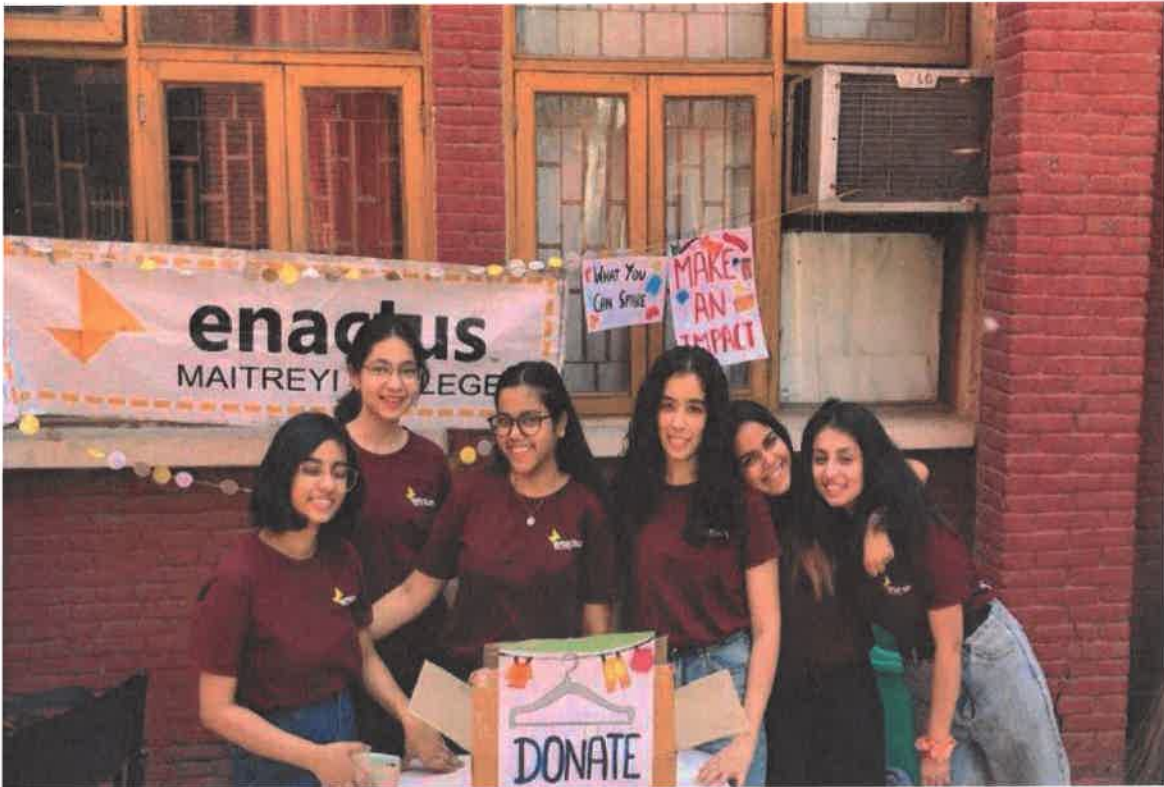

Name of the organizing department/society: Enactus Maitreyi College

Name of the convenor/coordinator of the event: Mr. Ginmumlal Khongsai

Number of participants/beneficiaries from college: 15

Report of the Stall:

A cloth donation drive was carried out by Enactus, Maitreyi College on 11th April 2022 for our project **Swarnim**. The whole Enactus team participated in the donation drive. The well off population has heaps of clothes at their home which they do not use anymore. We were very happy to know that the students showed great enthusiasm in donating for our project. We received an overwhelming response from the students of the college, where approximately 50+ people donated a good amount of clothes. Enactus Maitreyi also collaborated for a jam session with Appolonia (The Western Music Society) to attract the crowd and educate people about the noble cause.

Pictures from the donation drive.

Significance of the event (outreach/soft skill development/curriculum enrichment etc) :

We received very positive feedback from the students in terms of a good crowd for the JAM session and a huge amount of donated clothes. Enactus instilled the feeling of empathy in maitreyians by donating these clothes for the underprivileged which was the prime motive and we somewhat accomplished it too ,i.e. To have compassion for the underprivileged as the project is going to benefit our beneficiaries.

This Donation drive helped solve the twin purpose of reducing cloth wastage on our planet and in turn helping our beneficiaries with the raw materials for Project Swarnim.

Most client comments received were favourable. The product selection and their prices were well received by the crowd. We plan to include a few recommendations for product line diversification into our upcoming range of products.
