

Title of the Event: 'Orientation Ceremony'

Date: 22-11-2021

Name of the organizing Department: Department of Mathematics

Name of the convenor: Dr. Geetan Manchanda

Name of the coordinator: Dr. Archana Paradkar

Total Number of the participants: 70

The Mathematics Department of Maitreyi College organized a virtual **Orientation Ceremony** for the **batch of 2024** via **Google Meet platform**. There were around 70 attendees including freshers, students from second & third year and faculty members.

The event began with Ms. Awanya Dabas (Vice President, Students' union of Mathematics Department) welcoming all the attendees on behalf of the Department of Mathematics, followed by Ganesh Vandana to invoke the blessings of the almighty.

The Mathematics Department of Maitreyi College has always strived hard for the betterment of its students and members. Its endeavor has been to contribute to the students' education not only by enabling students to get a degree, but also by developing in them the ability to think creatively and articulate their thoughts with confidence and conviction. This was shown to the students through a presentation including details about all the events organised by the department throughout the year.

After this, Ms. Sunidhi Chadha from third year sang a welcoming song for the freshers. This was followed by a virtual tour of the beautiful campus of Maitreyi College.

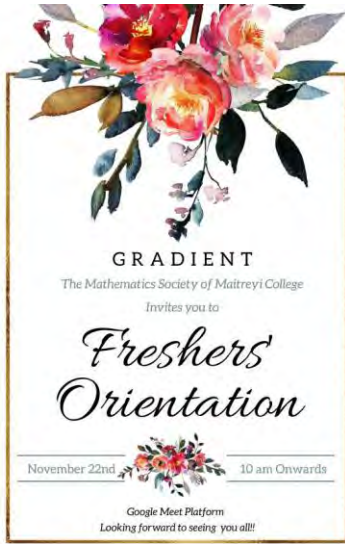

The event then proceeded with an introduction of the Faculty Members, followed by the introduction of all the students of the fresh batch.

After this, there were a few games lined up for the students. Ms. Neha Nautiyal and Ms. Shivangi Pandit, students of second year, had planned different games for the freshers. Everyone enjoyed playing the games. The event ended with a thank you note from Ms. Awanya Dabas.

Everyone seemed to enjoy the event. Wishing all the best to the batch of 2024.

STUDENTS' UNION ELECTIONS

DATE OF THE EVENT: 5th January 2022

ORGANISED BY: Department of Mathematics

NUMBER OF VOTERS: 129

The Department of Mathematics, Maitreyi College organized its **Students' Union Elections** for the year 2021-22 on **5th January 2022**. It was organised **online** through Google forms. The Election was held by the teachers and previous union of the department. The Election was organised completely online - from interested students offering their candidature, to students voting for their favourite candidate.

In the Elections, for the post of **President**, 3rd year students of the department were eligible. For the post of **Vice- President** and **Treasurer**, 2nd year students were eligible and for the post of **General Secretary**, students of 1st year were eligible to offer their candidature.

Schedule of the Election:

- **31st Dec 2021:** The proposal of election was put forward by the department in front of students.
- **3rd Jan 2022:** Last date for the students to offer their candidature for Election.
- **4th Jan 2022:** Final list of candidates standing for elections was declared. Campaigning was started among the students through WhatsApp messages and posters.
- **5th Jan 2022:** Voting Day. Students of all three years of the department casted their valuable votes for their favourite candidates for each of the four positions (President, Vice President, Treasurer, General Secretary) from 10AM to 5PM.
- **5th Jan 2022:** Results of the elections were declared around 8 PM.

Following are the candidates who stood for the Election:

- For the post of President: **Ms. Awanya Dabas** (3rd Year student) and **Ms. Mausam Kumari** (3rd Year Student)
- For the post of Vice-President: **Ms. Sunanda Jha** (2nd year student), **Ms. Shivangi Pandit** (2nd year student) and **Ms. Priyanshi Verma** (2nd year student)
- For the post of Treasurer: **Ms. Neha Nautiyal** (2nd year student), **Ms. Kanika Singh** (2nd year student) and **Ms. Deepika Yadav** (2nd year student)
- For the post of General Secretary: **Ms. Nisha Choudhary** (1st Year Student), **Ms. Nisha Ahirwar** (1st Year Student), **Shikha** (1st Year Student), **Ms. Diya Rani** (1st Year Student), **Ms. Gauri Bansal** (1st Year Student), **Ms. Ansha Bisht** (1st Year Student), **Ms. Anisha** (1st year student)

PRESIDENT	
1	Awanya Dabas 3rd Year
2	Mausam Kumari 3rd Year

VICE PRESIDENT	
1	Sunanda Jha 2nd Year
2	Shivangi Pandit 2nd Year
3	Priyanshi Verma 2nd Year

TREASURER	
1	Neha Nautiyal 2nd Year
2	Deepika Yadav 2nd Year
3	Kanika Singh 2nd Year

GENERAL SECRETARY		
1	Nisha Choudhary	1st Year
2	Nisha Ahirwar	1st Year
3	Shikha	1st Year
4	Diya Rani	1st Year
5	Gauri Bansal	1st Year
6	Ansha Bisht	1st Year
7	Anisha	1st Year

Total 15 candidates stood for elections and around 129 students casted votes for their favourite candidates on 5th January 2022 between 10AM-5PM.

On 5th Jan 2022, after careful observation of the votes of the students, results were finally declared at around 8 PM.

The elected candidates:

President: Ms. Awanya Dabas (with 89.9% votes)

Vice – President: Ms. Shivangi Pandit (with 55% votes)

Treasurer: Ms. Neha Nautiyal (with 46.5% votes)

General Secretary: Ms. Nisha Choudhary (with 26.4% votes)

These students now form the new Students' Union of the Department of Mathematics, Maitreyi College for the year 2021-2022.

*Ms. Awanya Dabas
(President)*

Ms. Shivangi Pandit

Ms. Neha Nautiyal

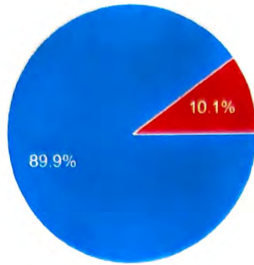

Ms. Nisha Choudhary

With the colleges holding these elections online, this can be made sure that even during the course of the pandemic, we all will not stop growing. We wish a hearty congratulations and all the best to all the new members of the Students' Union. It was the combined efforts of the teachers, who organised the elections, and the students, who took part in it to make their favourite candidate win, which made the elections of 2021-2022 a huge success.

Yashwani
TIC (Mathematics)

Title of the Event: 'E-Freshers' Day'

Date: 11-01-2022

Name of the organizing Department: Department of Mathematics

Name of the convenor: Dr. Geetan Manchanda

Name of the coordinator: Dr. Archana Paradkar

Total Number of the participants: 85-90

The Mathematics Department of Maitreyi College organized a virtual **Freshers' Day Party** for the new batch of 2021 on **11th January, 2022** from **11:00 AM – 12:30 PM** via **Zoom Meeting Platform**. The theme of the party was the 90s era. Students and teachers were asked to dress up in retro style. There were around 90 attendees including the freshers, 2nd & 3rd year students, faculty members and the Office bearers.

The event began with Ms. Shivangi Pandit (Vice President, Gradient: The Mathematics Society of Maitreyi College) & Ms. Neha Nautiyal (Treasurer, Gradient: The Mathematics Society of Maitreyi College) welcoming all the attendees and the judge for Miss Departmental freshers contest, Dr. Anita from Hindi Department on behalf of the entire department of Mathematics.

To start the event on a peaceful note, a virtual lamp lighting ceremony and Ganesh Vandana recitation were held. After this, Sunanda from 2nd year gave a welcoming speech for the students of new batch, followed by an energetic dance performance by Akshita from 2nd year and an enthralling singing performance by Kiran from 2nd year.

After this, all the participants of the departmental miss freshers contest were asked to introduce themselves to the audience and the judge, Dr. Anita. There were a lot of 10 participants. The list of the participants is as follows:

1	Krati
2	Siya Dahiya
3	Priyanshi joshi
4	Kareena Ashraf
5	Neha Yadav
6	Yashaswi Vidyarthi
7	Akshita Singh
8	Muskan dixit
9	Muskan
10	Sakshi Sharma

A week ago, all the participants were asked to walk down the ramp and make a small video showcasing their talent. The judging criteria of the miss freshers contest was based upon three rounds. Firstly, the received Ramp walk videos, secondly, the talent hunt round and last, the Quiz round.

After the introduction of the participants, their ramp walk videos were shown on the screen to the judge and the audience. This was followed by the talent hunt round, where participants presented their talent in front of our judge. The participants showed various talents including dancing, singing, drawing, and cooking.

Before beginning with the third round, the hosts played a short game called 'Would you rather' with all the attendees. The audience actively participated and made the game fun. Following this, the judge, Dr. Anita started with the Quiz Round and asked basic questions to all the participants of miss freshers' contest.

To give some time to the judge for evaluation of marks, the hosts, Neha and Shivangi initiated another game called 'Caption this', which was truly engaging and exciting. After this, Meghana from 2nd year recited a poem for the students of the fresh batch.

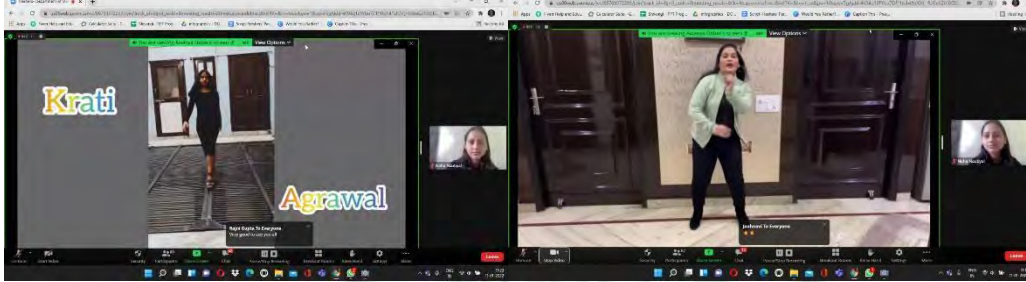

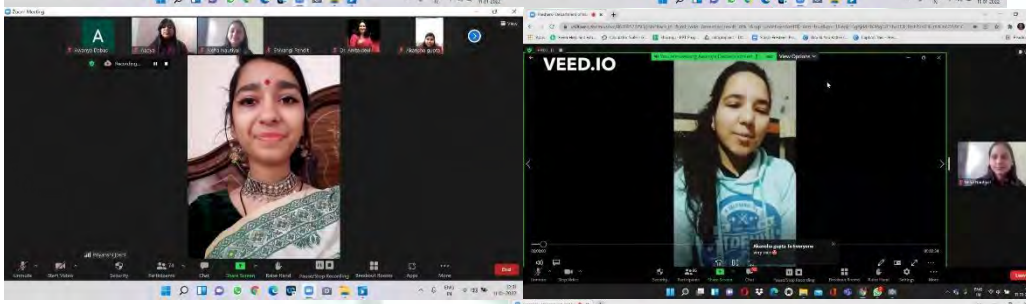

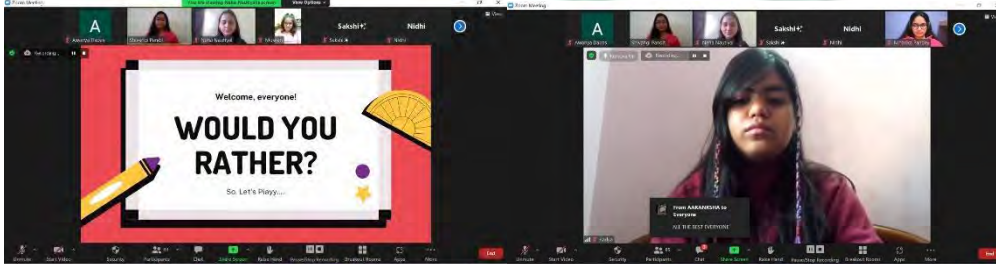

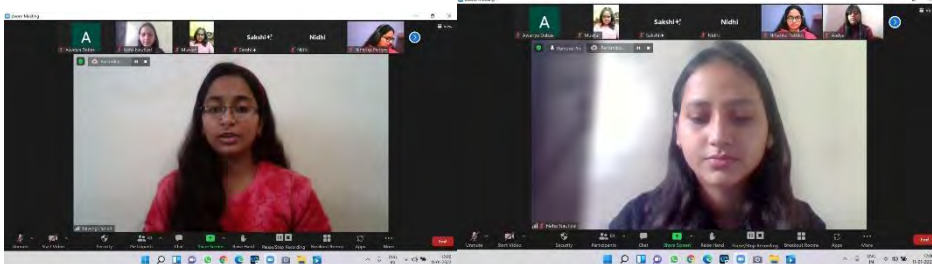

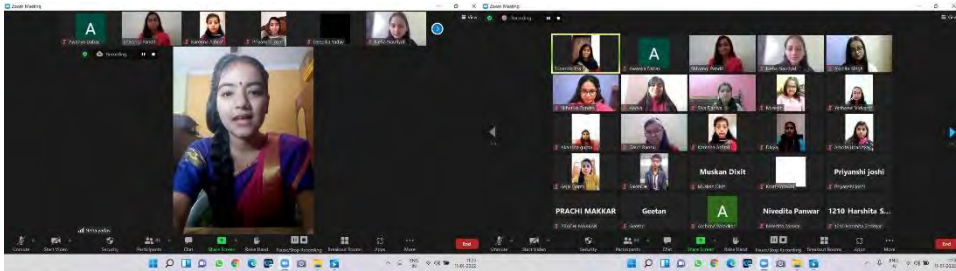

Now it was finally time for the results of the contest. Dr. Anita announced Priyanshi Joshi from 1st year as the winner of the miss freshers' contest. She congratulated Priyanshi and thanked the Department of Mathematics for inviting her.

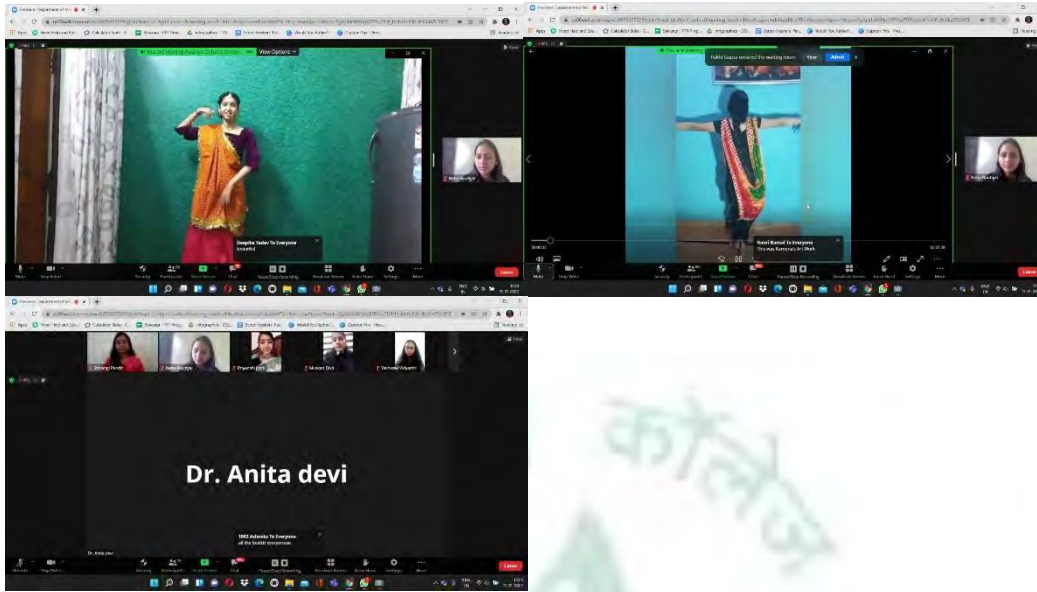

Lastly, Priyanshi gave a thank you speech and Aadya from second year gave an ending note. It was a great event and everyone seemed to enjoy it a lot.

Title of Event: **ONLINE MOVIE SCREENING WITH ACTIVITY ROUND**
College Level

Date of Event: **27-01-2022 to 28-01-2022**

Movie- The Theory of Everything

Name of Organizing Department: Mathematics

Name of the Convenor: Dr. Geetan Manchanda

Name of the coordinator: Mrs. Nikita Mittal

Number of Participants in Movie screening: 60

Number of Participants in Moviemathon: 18

Gradient: The Mathematics Society of Maitreyi College organized an **Online Movie Screening** of the Movie- **THE THEORY OF EVERYTHING** on 27th January, 2022 at 4 pm via **Zoom Platform**. Around 60 students attended the screening. It was followed by a Competition: **MOVIEMATHON** based on this Movie on 28th January, 2022 at 4 pm via **Zoom Platform**. 18 students from the Department of Mathematics participated in the competition.

Movie Summary: In the 1960s, Cambridge University student and future physicist Stephen Hawking (Eddie Redmayne) falls in love with fellow collegian Jane Wilde (Felicity Jones). At 21, Hawking learns that he has motor neuron disease. Despite this -- and with Jane at his side -- he begins an ambitious study of time, of which he has very little left, according to his doctor. He and Jane defy terrible odds and break new ground in the fields of medicine and science, achieving more than either could hope to imagine.

Theory of Everything is an incredible story of Jane and Stephen Hawking.

The hosts for the Movie Screening were **Ms. Shivangi Pandit** (Vice-President of The Mathematics Department) and **Ms. Neha Nautiyal** (Treasurer of The Mathematics Department).

The Event started with a small introduction of the movie by Ms. Shivangi Pandit and then it went on further with Ms. Neha Nautiyal presenting the screen and starting with the Movie. The movie went for 2 hours with all the students and faculty members together watching the movie.

MovieMathon had two Rounds: **Quiz Competition** and **Story Sketch Competition**.

The Department got 18 registrations from students for the MovieMathon Quiz Competition.

The hosts for the Quiz Competition were **Ms. Shivangi Pandit** (Vice-President of The Mathematics Department) and **Ms. Aadya Khullar** (2nd Year student of Mathematics Department). The questions for the Quiz Competitions were prepared by **Mrs. Nikita Mittal** (Teacher Coordinator). Ms. Aadya Khullar told the rules of the quiz to the participants.

Mrs. Nikita Mittal then presented her screen and one- by- one presented the quiz questions to

everyone. The hosts, turn by turn, read out the questions to all the participants and invited participants to answer the questions. Participants were given points for answering the questions correctly. 20 quiz questions were presented to the participants and everyone enthusiastically answered them.

In the end, Ms. Shivangi Pandit announced the names of the participants who had successfully completed the Quiz Round and were now eligible for the next round of MovieMathon i.e. **The Story Sketch Competition**. 9 participants were selected for the Story Sketch Competition. Ms. Aadya Khullar then explained the rules of the Story Sketch Competition to the participants.

The event then finally ended with Ms. Shivangi Pandit giving the vote of thanks to the faculty members, participants and her teammates.

The entries for the Story Sketch Round were open till 31st Jan, 2022 and the result for the same was declared on 1st Feb'22. Cash prize of Rs 1000/ & 500/ along with certificates were given to the winners.

1st Position Holder - Ms. Anshika Tiwari (Student of 2nd Year)

2nd Position Holder - Ms. Kanika Singh (Student of 2nd Year)

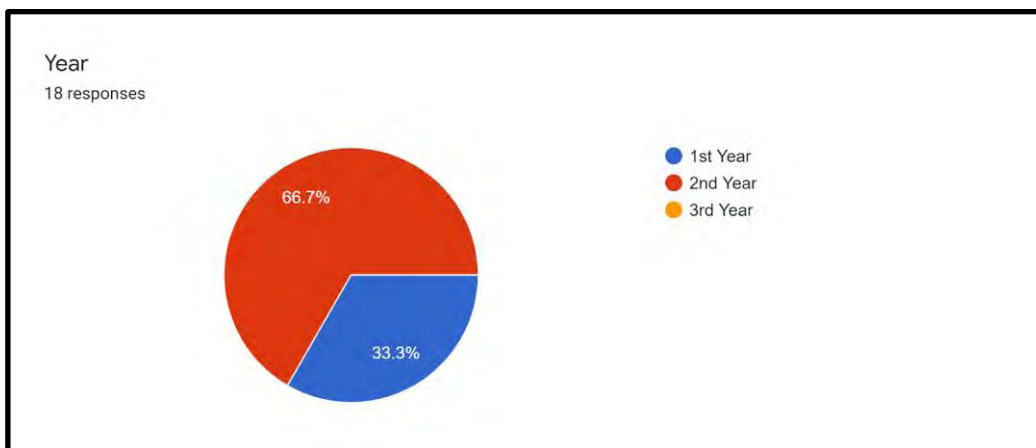

We would also like to thank Dr. Geetan Manchanda (TIC of Mathematics Department of Maitreyi College) for her valuable support and Mrs. Nikita Mittal (Coordinator of the Event) for organizing this event and ensuring smooth functioning of the same.

Rules for the Quiz

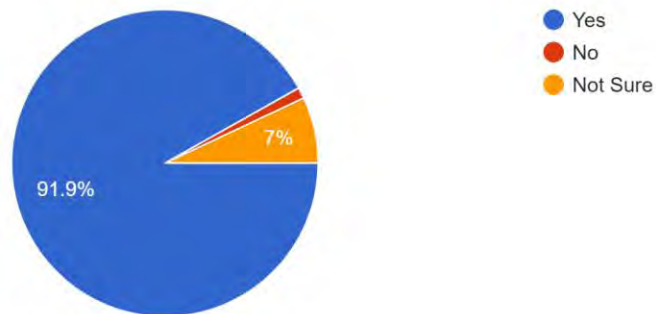

- All the participants are requested to stay muted, until they are asked to unmute themselves.
- Make sure you are at a place where the network is strong. Network issues, if any, will not be considered.
- Each Question will be displayed on the screen, one at a time. I will also read out the questions for all of you.
- If you wish to answer the question, you have to type character "Y" in the Chat Box. Type "Y" in the chat box only if you know the answer.
- The first person to type "Y" in the chat box will be given the chance to answer first.
- You will be asked to say out the answer once you type "Y". Answer only when your name is being called, please do not unmute yourselves until asked.
- The one who answers correctly, gets 4 mark. Also, MCQ based question will have negative marks - 1 mark will be deducted on every wrong answer.
- The top candidates will go to the next round.
- You can give maximum 3 correct answers.
- In Case, You have already given three correct answers, you will be automatically disqualified from the subsequent questions and will directly be promoted to the second round.

Significance of Event: Movies are great resource for visual learners as they enable them to understand concepts without the barriers that hinder learning. Just like books, movies allow students insight into the lives of different characters, how their perspective differs and how they handle certain situations.

Title- Modular Arithmetic

National Level Webinar

Date: 14-02-2022

Name of the organizing Department: Department of Mathematics

Name of the convenor of the event: Dr. Geetan Manchanda

Name of the coordinator of the event: Dr. Pawan Sharma

**Resource Person: Dr. Jagmohan Tanti (Associate Professor, Babasaheb
Bhimrao Ambedkar University)**

Total Number of the participants: 93

Number of the participants from college: 60

Report:

The Department of Mathematics organised A National Webinar on "**Modular Arithmetic**" by Dr. Jagmohan Tanti. It was held on **14 February 2022**, Monday, at 4 PM, via Zoom Meeting Platform.

Dr. Jagmohan Tanti, is an Associate Professor at Babasaheb Bhimrao Ambedkar University and has also attained a Ph.D. degree in Mathematics from the University of Pune. He is an awardee of the Council of Scientific and Industrial Research for pursuing Research in the field of Mathematics. He also has numerous research publications to his name in several national journals of high repute.

We got a total of 90+ registrations for the webinar, out of which around 60 attended the webinar.

Neha Nautiyal (Treasurer, Gradient: The Mathematics Society of Maitreyi College) started the event with welcoming the speaker Dr. Jagmohan Tanti, Teachers and the participants. Ms. Neha Nautiyal read out all the rules to be taken care of during the session. She then introduced and invited the Speaker to begin with the talk.

The Speaker firstly thanked Maitreyi College, Dr. Pawan sharma (Assistant professor), and Ms. Neha Nautiyal for inviting him and giving him a platform to speak.

The session focused on briefing the students about the basis of Modular Arithmetic. The Speaker gave a detailed overview of 'What actually is Modular Arithmetic and what is the history behind it'. He defined that in mathematics, modular arithmetic is a system of arithmetic for integers, where numbers "wrap around" when reaching a certain value, called the modulus. Modular Arithmetic is a branch of arithmetic Mathematics related with "mod" operations. Basically Modular Arithmetic deals with the computations of mod of expression involving addition, subtraction, multiplication, division etc.. For integers symbols.

He taught some rules of Modular Arithmetic, the relevant equivalent relation and the quotient remainder theorem. Also, he explained the detailing of Modular Arithmetic by using some

examples. He finished his talk by discussing about a few methods to solve the problems on Modular Arithmetic.

Ms. Neha Nautiyal thanked The Speaker for such an informative session and moved on to the Question-Answer session. Each and every question was patiently explained by the Speaker. The participants were satisfied with the answers given.

The event came to an end. Dr. Pawan sharma, delivered the vote of thanks to the speaker Dr. Jagmohan Tanti. Ms. Neha Nautiyal ended the event by thanking the speaker Dr. Jagmohan Tanti, Convener Dr. Geetan Manchanda, Coordinator Dr. Pawan sharma and all the attendees. It was a successful event indeed.

**Title of the Event: ‘What it takes to build a career in Analytics’
National Webinar
Date: 28-02-2022**

Name of the organizing Department: Department of Mathematics

Name of the convenor: Dr. Geetan Manchanda

Name of the coordinator: Dr. Deepti Kaur

**Resource Person: Ms. Ruchi Bhasin (Director, People analytics & Planning,
HARMAN)**

Total Number of the participants: 56

Number of Participants from Maitreyi College: 44

Report:

The Department of Mathematics, Maitreyi College organized a Webinar by **Ms. Ruchi Bhasin** on the topic ‘**What it takes to build a Career in Analytics**’ on **28th February, 2022** at **3:00 P.M** via **Zoom Meet**. Because of valuable support provided by Principal Mam Dr. Haritma Chopra, the session was conducted successfully.

There are numerous promising careers that are available these days, one such career is Analytics. Skilled analysts are some of the most sought-after professionals in the world. Because the demand is so strong, and the supply of people who can truly do this job well is so limited, analysts command huge salaries and excellent perks, even at the entry-level.

The speaker Ms. Ruchi Bhasin is the Director, People analytics & planning at HARMAN. She received her MBA degree from Indian Institute of Foreign Trade, Delhi and has acquired varied analytics experience across Sales and Marketing, Supply Chain, Manufacturing Quality, Finance and HR- leverage AI and Technology.

The session began with Ms. Shivangi Pandit (Vice President, Gradient: Mathematics Society), welcoming the participants and the speaker, continued by Ms. Neha Nautiyal (Treasurer, Gradient) who introduced the Speaker. Then Ms. Ruchi started the lecture and elaborated on Analytics. She spoke about the difference between Analytics, Machine Learning and Artificial Intelligence. Ms. Ruchi Bhasin familiarized the participants with the courses available to build a career in analytics. She inspired and motivated the participants for never giving up in this career as it has a lot of scope in the coming years.

In the end there was a query session. All the queries asked by the participants were answered very well with detailed and clear explanations by the Speaker.

Dr. Deepti Kaur and Dr. Geetan Manchanda gave the vote of thanks. They also thanked the participants for being a part of the webinar. It was an enriching experience for all the participants. The department received extremely positive feedback. Overall, it was an insightful and informative webinar which was highly appreciated by all the participants.

Nisha	Maitreyi college & bsc math hons.
Muskan	Maitreyi college, B.Sc. mathematics hons
Nilav Dhekial Phukan	Zakir Husain Delhi College, BSc(H) Mathematics
Purnima	Ncweb msc mathematics
Shristi Chakraborty	Maitreyi College and BA Hons Political science
Pratibha Pal	MSc mathematics
Aaditri Saraswat	Maitreyi college (Physical science with computer science)
Deeksha Mishra	MNNIT, Prayagraj
Añuradha	Maitreyi college and 1st year
Aarti	B. Sc. (H) mathematics
Anshika Tiwari	Maitreyi College Bsc. (H)Mathematics
Dr. Archana Paradkar	Maitreyi
Shikha	Maitreyi College Bsc (H) Mathematics
Neha	Zakir Hussain and msc mathematics
Sindhusuta Mohanty	Bsc Mathematics H, Maitreyi College
Vaishali Sharma	Maitreyi College , Bsc (H) physics
MANSI TEWATIA	B.Sc(H) physics
Aayushi	Maitreyi & Bsc physical science with chemistry
Akansha gupta	Maitreyi college, Bsc. (H)Mathematics
Navya paliwal	Maitreyi bcom hons
Dr. Neetu Arneja	Maitreyi College, University of Delhi
Dr. Anuj Kumar	NA

Siya Dahiya	Maitreyi College & B.Sc (H) Mathematics
Amisha yadav	Maitreyi college 2021/22
Priyanshi Jain	Maitreyi College University of Delhi, B. Sc. Physical Science with Computer Science
ARTI	Maitreyi College, University of Delhi; Bsc. (H)Mathematics
Sahil Goyal	MNNIT, Prayagraj
Kailash Dhanuk	D. N. College, Meerut
Ansha Bisht	Maitreyi College - B.Sc(H) Mathematics
Gaurav	Shivaji college university of delhi & B.sc (hons.) Mathematics
Archi Singh	Maitreyi college
Manju	Maitreyi College and B.Sc(H) Mathematics
Nikita mittal	Na
Tanisha	Maitreyi College, University of Delhi ;BSc (H) Mathematics
Dr. Neelima Ohri	Na
Sunanda	Maitreyi college and mathematics hons
HIYA SRIVASTAVA	Maitreyi college B.Sc H Mathematics
Kanika Singh	Maitreyi college & Bsc(Hons)Mathematics
Bhavya Singh	Maitreyi College, University of Delhi. Physical science plus computer science
Moomal	Maitreyi college
Akanksha Baranwal	Maitreyi College, Bsc. (H)Mathematics
Uma	Maitreyi College. Bsc. (H)Mathematics
Tanu	Maitreyi College , Bsc. (H)Mathematics
Meghana Kumari	Maitreyi College, Bsc. (H)Mathematics
Gaurav	Shivaji college university of delhi & B.sc(hons.)Mathematics

Anshika Singh	Maitreyi college, University of Delhi
Kritika Kanojia	Maitreyi College. B.Sc. Mathematics.
Monika Meena	Maitreyi college
Shivangi Pandit	Maitreyi College, Bsc.(H)Mathematics

Title of the Event: 'Exploring Applied Mathematics'

College Level Webinar

Date: 25-03-2022

Name of the organizing Department: Department of Mathematics

Name of the convenor: Dr. Geetan Manchanda

Name of the coordinator: Dr. Pawan Sharma

Resource Person: Mr. Ankit Pandey (Faculty, Career Endeavour)

Total Number of the participants: 51

Number of Participants from Maitreyi College: 51

Report:

The Department of Mathematics, Maitreyi College organized a seminar by **Mr. Ankit Pandey** on the topic '**Exploring Applied Mathematics**' on **25th March, 2022** at **1:00 P.M** in **Seminar Room**. Because of valuable support provided by Principal Mam Dr. Haritma Chopra, the session was conducted successfully.

Career Endeavour Institute is an academically structured Institution complete in all aspects which provides quality education for CSIR NET, GATE and TIFR Entrance Exam. It has emerged as the Pioneer Institute for IIT-JAM Coaching. This institute has helped many students reach the top-10 AIR Rankings in these Competitive Examinations.

The session began with Ms. Shivangi Pandit (Vice President, Gradient: The Mathematics Society of Maitreyi College) welcoming all the students, faculty members and the speaker to the session. Ms. Shivangi introduced the speaker, Mr. Ankit Pandey. Mr. Ankit has done his post-graduation in Msc. from Zakir Husain DU. He is currently a faculty for Mathematics at Career Endeavour Institute with teaching experience of 5+ years.

He then talked about applied mathematics in depth. He taught various tips and tricks to the students that can help in cracking tough questions in competitive examinations for different M.Sc. Entrances. He also talked about the paper patterns of the few most common entrance examinations like IIT-JAM, GATE and NET.

The session ended with Ms. Shivangi giving the vote of thanks to the speaker.

The students found the session quite informative and instructive. Overall, it was a great session.

Title of the Event: 'COVID Period: Learning Redefined'

College Level Webinar

Date: 06-04-2022

Name of the organizing Department: Department of Mathematics

Name of the convenor: Dr. Geetan Manchanda

Name of the coordinator: Dr. Pawan Sharma

Resource Person: Mr. Rajendra Dubey(Faculty, DIPS Academy)

Total Number of the participants: 44

Number of Participants from Maitreyi College: 44

Report:

The Department of Mathematics, Maitreyi College organized a seminar by **Mr. Ranjendra Dubey** on the topic '**COVID Period: Learning Redefined**' on **6th April, 2022** at **1:00 P.M** in **Seminar Room**. Because of valuable support provided by Principal Mam Dr. Haritma Chopra, the session was conducted successfully.

DIPS Academy is an award winning and pioneer Institute in Mathematics and Statistics providing preparatory guidance to the higher education students who want to join IIT for MSc & PhD and Civil Services. Students who want to clear exams like IIT JAM, CSIR NET, UPSC IAS, join them for high quality education and guidance.

The session began with Ms. Shivangi Pandit (Vice President, Gradient: The Mathematics Society of Maitreyi College) welcoming all the students, faculty members and the speaker to the session. Ms. Shivangi introduced the speaker, Mr. Rajendra Dubey. Mr. Dubey is a seasoned mentor for mathematics and entrepreneur, with a vast teaching experience of more than 25 years in the field of Mathematics. He is a true learner and keen observer endowed with GOD gifted qualities of humor, presence of mind, wittiness and graced with natural talent of teaching. He focuses on holistic metamorphosis there by enriching the cognitive skills of the students from how thing work to why things work.

He talked about the importance of mathematics and other subjects in real life. He talked about the real meaning behind mathematics which is not actually numbers but logic. He said even a thing as simple as a pen can be mathematics if logic is applied to it. He also talked about the ways COVID has changed our lives as a student and a teacher, and then continued to talk about the ways of learning students should use to prepare for their exams.

The session ended with Ms. Shivangi giving the vote of thanks to the speaker.

The students found the session quite informative and engaging. Overall, it was a great session.

 Convenor
 (Dr. Geetan Manchanda)

Title of the Event: 'Waat!! After Graduation'

College Level Webinar

Date: 07-04-2022

Name of the organizing Department: Department of Mathematics

Name of the convenor: Dr. Geetan Manchanda

Name of the coordinator: Dr. Pawan Sharma

Resource Person: Mr. Hitesh Hariramani (Quants 99.9 percentiler, Creative head at iQuanta), Mr. Shashank Gupta (JNU Graduate, Faculty at iQuanta), Mr. Abhishek Shrivastava (MBA from LBSIM, Faculty at iQuanta)

Total Number of the participants: 80

Number of Participants from Maitreyi College: 80

Report:

The Department of Mathematics, Maitreyi College organized a seminar by **Mr. Hitesh Hariramani, Mr. Shashank Gupta and Mr. Abhishek Shrivastava** on the topic '**Waat!! After Graduation**' on 7th April, 2022 at 11:00 A.M in Seminar Room. Because of valuable support provided by Principal Mam Dr. Haritma Chopra, the session was conducted successfully.

iQuanta, believes that every student must be provided with a fair value for the resources they are spending. Their CAT coaching is leading the market in adapting to the changing nature of the CAT exam. iQuanta in-depth research aids in providing aspirants with just the right content you need for your exam. iQuanta is also gaining more and more credentials to its name every year. It has helped students receive 10,521 + IIM calls, and 1000+ IIM converts in just four years! This clearly reflects the efficacy of iQuanta's quality content as well as its dedicated team. iQuanta has achieved results in a shorter period, which took years for other institutes.

The session began with Ms. Neha Nautiyal (Treasurer, Gradient: The Mathematics Society of Maitreyi College) welcoming all the students, faculty members and the speaker to the session. Ms. Shivangi introduced the speakers. Mr. Hitesh Hariramani is the Creative Head at iQuanta and has helped more than 1000 students to score 99+ percentile, he himself is a quants 99.9 percentiler. Mr. Shashank Gupta is a JNU Graduate with 15 years of experience in teaching VARC for CAT and working with various verticals in the education history. Mr. Abhishek Shrivastava is an MBA Graduate from LBSIM Delhi and has deep insights about CAT and other MBA Examinations.

The speakers gave students insights about CAT and Non-CAT MBA Examinations. They talked about various prominent institutes for MBA and their admission process. The session was quite interesting as the speakers also played some knowledgeable games with the students.

The session ended with Ms. Neha giving the vote of thanks to the speaker.

The students found the session quite interesting, informative and engaging. Overall, it was a great session.

National Level Virtual Fest

Date: 09-04-2022

Name of the organising department: Department of Mathematics

Name of the convener: Dr. Geetan Manchanda

Name of the coordinator: Dr. Pawan Sharma

**Resource Person: Dr. Narendra Kumar Singh (Associate Professor,
Department of Mathematics, Government Post Graduate College, Dwarahat
Almora, Uttarakhand)**

Total Number of Participants: 532

Number of Participants from Maitreyi College: 81

Report:

The Department of Mathematics, Maitreyi College organised its annual departmental fest, Abscissa'22 on 9th April 2022 virtually, which observed a participation of 532 students from different colleges PAN india.

The event comprised of 5 interesting virtual competitions including Abacus 101: A Quiz Competition, Paper Presentation Competition, Maths Olympiad, Photography Competition & Meme Making Competition.

The event began with an inauguration at 10 AM. The event was held on Google Meet, where Ms. Awanya Dabas (President, Gradient) and Shivangi Pandit (Vice President, Gradient) welcomed everyone, followed by Ganesh Vandana and Lamp Lighting. After this, Mrs. Rajni Gupta (Assistant Professor, Department of Mathematics) delivered the welcome note.

Then we moved on to the inaugural talk on '5 Different yet Equivalent conditions to show completeness of \mathbb{R} ' by Dr. Narendra Kumar Singh. Dr. Narendra is an associate professor of the Department of Mathematics, Government Postgraduate College, Dwarahat Almora, Uttarakhand. He has done deep research in the field of Mathematics and has vast knowledge about the same. The talk focused on various real analysis related researches and findings. It was overall quite an interactive and educational talk.

Dr. Pawan Sharma (Assistant Professor, Department of Mathematics) delivered the vote of thanks to the speaker.

After this, the first competition of the event, Abacus 101: A Quiz Competition started at 11:30 AM. The quiz was held through google forms and contained 30 MCQ and TITA type questions based on Mathematics, Logical Reasoning and Simple calculations. A total of 129 students participated in the quiz. The top 2 scorers of the competition were Manoranjan Mohanty (Ramjas College, DU) and Brijesh Kishore Mishra (Ram Lal Anand College, DU).

The next competition was the Paper Presentation Competition on the topic 'Application of Mathematics'. The competition took place at 1 PM through Zoom Meeting Platform. There were a total of 12 papers. The top 2 presentations were presented by Mukhar Bhardwaj (Netaji Subhas University of Technology) and Ritika Tuteja (Gargi College, DU)

Next two competitions, Photography Competition (Theme: Maths on my way to college) and Meme Making Competition (Theme: Humor in maths) were held simultaneously where students had to submit their entries through a google form before 6 PM on the day of the event. A total of 46 and 87 students participated in Photography and Meme Making Competition respectively. Top 2 entries for the Photography Competition were by Jude Fernandes (Goa University) and Kinjal Agarwal (KMV, DU), and the top 2 entries for the Meme Making Competition were by Sampda Pandey (PGDAV College, DU) and Manisha (Maitreyi College, DU)

Last competition of the day was Maths Olympiad, held at 6 PM. It was a quiz competition consisting of 50 Mathematics and Logical Reasoning based MCQ and TITA questions. The students attempted the quiz through a google form. A total of 143 students participated in the quiz, out of which the top 2 performers were Perna Dhankhar (Hindu College, DU) and Parul Agarwal (NIT Warangal).

All the top performers were awarded a cash prize of INR 2,000/- each and the second best performers were awarded with a cash prize of INR 1,000/- each. The top 2 performers from each competition were also awarded with Recognition certificates and Gift Hampers. Also, all the participants were given participation certificates and gift coupons.

The event was a huge success overall.

FAREWELL EVENT - 2022

DATE OF THE EVENT: 26th April 2022

ORGANISED BY: Department of Mathematics

NUMBER OF PARTICIPANTS : 150

Gradient, The Mathematics Society of Maitreyi College, organized a **farewell party** on **26th April 2022, 11am onwards** in **Room No. 12** in college premises, for its final year students to celebrate their graduation and wish them good luck for their future endeavors.

The preparation of this event started a week ago with the support of Dr. Geetan Manchanda (TIC), Convenor and guidance of coordinator Dr. Neetu arneja , with 2nd and 1st year students reaching out to all their seniors and faculty members and inviting them for the farewell. The theme of the Party was "**Vogue**".

Ms. Aadya Khullar (2nd year student) and Ms. Neha Nautiyal (Treasurer of the Mathematics Department), were the hosts for the event. The event started with Ms. Aadya Khullar, welcoming all the final year students and faculty members to the farewell party. She then invited Ms. Khushbu (2nd year student), to entertain the audience with her dance performance. Next performance was a group dance from 1st year students (Akshita Singh, Krati Agrawal, Nivedita Panwar, Priyanshi Joshi, Siya Dahiya, Neha Yadav, Sakhi, Aakanksha) followed by a singing performance by Ms. Kiran Kumari (2nd yr student). After the singing performance, Ms. Hiya Srivastava (2nd year student) was invited to give a speech for the outgoing batch, reminding them of all the sweet memories they had in the college and wishing them good luck for the future.

A Ramp Walk session was also organized for all the final year students giving them a chance to flaunt their style on the stage. The hosts for the Ramp walk were, Ms. Priyanka and Ms. Harshita Shekhar (1st yr students). At the end of the ramp walk, all the teachers were also invited to come and walk the ramp.

Again a series of performances started, this time, Ms. Ansha Bisht and Ms. Pallavi (1st year students) were called for a beautiful singing performance. This was followed by a energetic dance performance by Ms. Shivangi Pandit (Vice - President of

the Mathematics Department), Ms. Neha Nautiyal (Treasurer of the Mathematics Department), Ms. Aadya Khullar and Ms. Anshika Singh (2nd yr students). Adding a fun element to the event, a game was organized named, "Who Am I?", where Ms. Neha Nautiyal picked a chit from a box and read out the description about one of the 3rd year students and others had to guess who the person was. First 5 winners of the game were also given a gift box.

A Farewell party without titles isn't complete. Ms. Neha Nautiyal next, announced the titles for all the final year students one by one, and in the end, 3 special titles were given to the students of final year.

Ms. Gradient - Ms. Awanya Dabas (President of the Mathematics Department)
Ms. Well- Dressed - Ms. Aadi Lochhab

Ms. Show Stopper - Ms. Vandana Yadav

After the titles, all the 3rd year students and faculty members were invited on the stage for the cake cutting ceremony, celebrating all the memorable years the students had in the college in these 3 years.

Finally, the stage was left open for all the students and faculty members who wished to congratulate the final year students and wished them good luck for their career.

At last, a pizza lunch was organized for the audience. In the end, the students of all years came down and vibed and danced together to the disco music played one after the other.

The students that day did not want to leave the room even after the party ended and wanted to keep dancing and enjoying that moment of time like it will never come back to them again.

We all wish our final year students all the very best for their future endeavors.

Students' Union Elections 2022-23
Intra - Departmental Election
Date: 9th January 2023
Organized By: The Department of Mathematics
Number of Participants: 70
Number of participants from college: 70

The Department of Mathematics, Maitreyi College organized its **Students' Union Elections** for the year 2022 -23 on **9th January 2023** for the post of General Secretary.

The Election was held by the teachers and previous union of the department.

It was organized completely offline, from interested students offering their candidature, to students voting for their favorite candidate.

In the Elections, for the post of **General Secretary**, 1st year students of the department were eligible.

Schedule of the Election:

- **5th Jan 2023** : The proposal of election was put forward by the department in front of the students.
- **6th Jan 2023:** Last date for the students to offer their candidature for Election.
- **6th Jan 2023:** Final list of candidates standing for elections was declared. Campaigning started among the students in offline mode and also through WhatsApp messages and posters.
- **8th Jan 2023:** Last date for campaigning by the candidates.
- **9th Jan 2023:** Voting Day: Students of all years of the department casted their valuable votes for their favorite candidates for the position of General Secretary from 12:30 PM to 1:30 PM .
- **9th Jan 2023:** Results of the elections were declared around 6 PM.

Following are the candidates who stood for the Election:

- For the post of General Secretary: **Ms. Khushi Agarwal** (1st Year Student), **Ms. Meghna Choudhary** (1st year student), **Ms. Richa Rajput** (1st year student)

Total 3 candidates stood for elections and around 70 students casted votes for their favorite candidates on 9th Jan 2023 between 12:30 PM - 1:30 PM. The voting process was undertaken by Dr. Pawan Kumar (Associate Professor). He made sure the voting was fair and moved smoothly. After careful observation of the votes of the students, results were finally declared at around 6 PM .

The elected candidate was:

General Secretary: Ms.Richa Rajput (with 52% votes)

The newly elected General Secretary now becomes a part of the Students' Union of the Department of Mathematics, Maitreyi College for the year 2022-23.

The Department of Mathematics wishes a hearty congratulations and all the best to the new member of the Students' Union. It was the combined efforts of the teachers, who organized the elections, and the students, who took part in it to make their favorite candidate win, which made the elections of 2022-2023 a huge success.

Geotagged Photographs of the Event:

Significance of the Event:

This gave a chance to students to represent their peers and bring about the changes they would like to bring in the department.

Final List of Students:

GENERAL SECRETARY		
S. No.	Name	Year
1	Meghna Choudhary	1st year
2	Richa	1st year
3	Khushi Agrawal	1st year

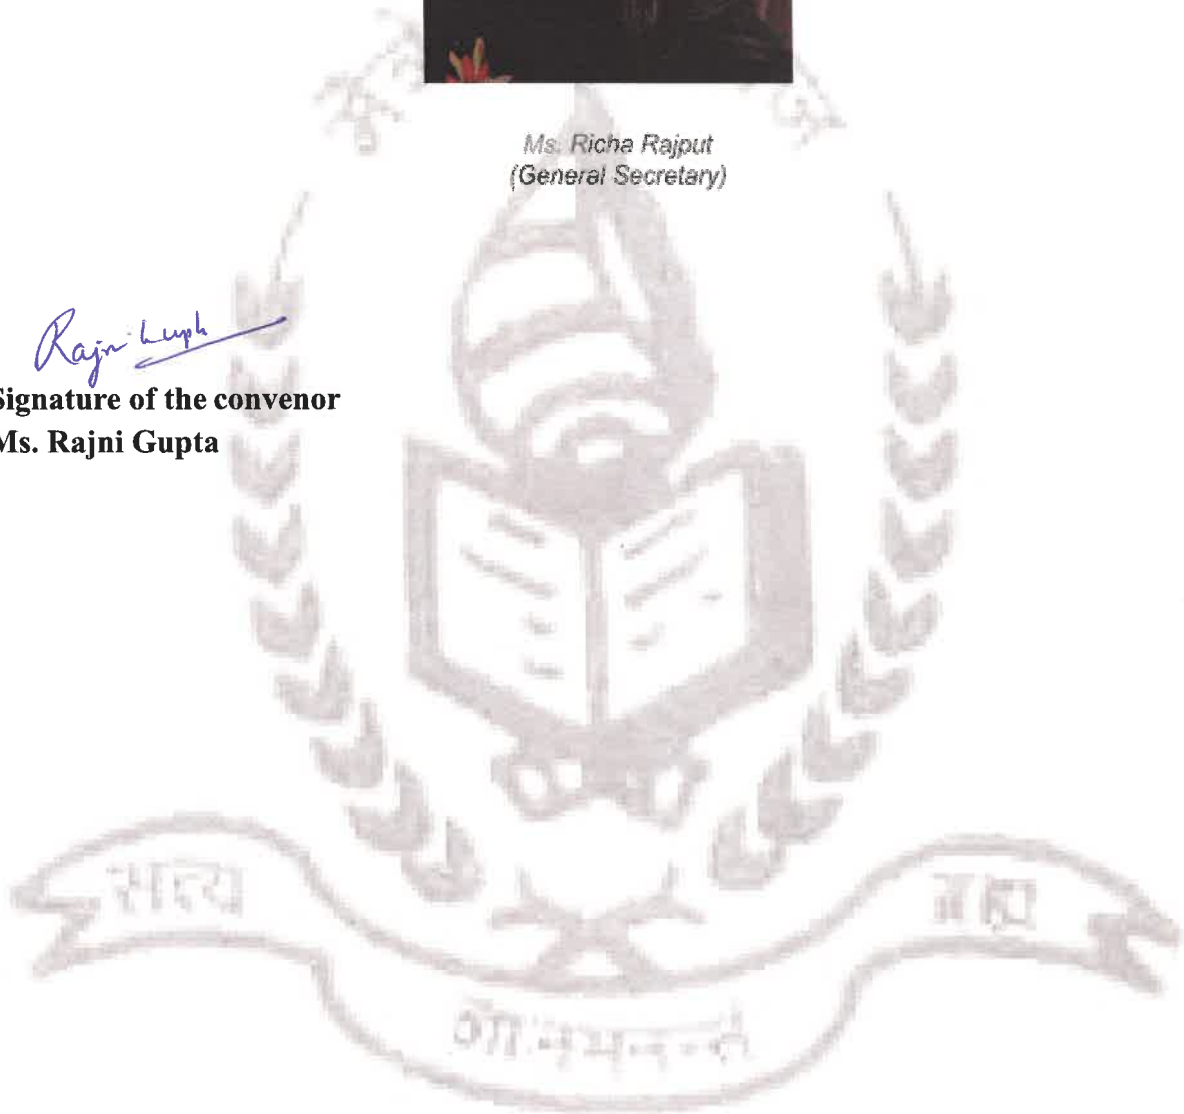

The Elected Member:

*Ms. Richa Rajput
(General Secretary)*

Rajni Gupta

NATIONAL MATHEMATICS DAY

College Level Celebration

Date of the Event: 22nd December 2022

Organized By: Department of Mathematics, Maitreyi College

Name of the convenor: Ms. Rajni Gupta

Name of the coordinator: Dr. Pawan Sharma

Name of the Resource Person: Dr. Izhar Uddin, Assistant Professor, Jamia Millia Islamia

No. of Participants: 128 participants (52 + 53 + 23)

Report:

The Department of Mathematics, Maitreyi College celebrated the 135th Anniversary of Srinivasa Ramanujan on the day of National Mathematics Day i.e. 22nd December 2022. The department organized various events on the day.

The **first event** of the day of **Inaugural session** from 10:30 AM onwards, which consisted of a **short presentation on the Life & Work of Srinivasa Ramanujan** and a **virtual tour to Ramanujan Museum & Math Park**, followed by an **academic session** on topic **Fixed Point Theory & its Application** by **Dr. Izhar Uddin**, an associate professor at Jamia Millia Islamia University. For this event, the department received an overwhelming response of 117 registrations.

The hosts for the event were, Ms. Shivangi Pandit (President, Department of Mathematics), Ms. Kanika Singh and Ms. Hiya Srivastava (Students of 3rd year, Bsc.(H) Mathematics). In the beginning, Ms. Kanika Singh & Ms. Hiya Srivastava described the whole journey of Srinivasa Ramanujan with the help of a PowerPoint Presentation, the Ms. Shivangi Pandit took the audience on a virtual tour to Ramanujan Museum and Ramanujan Math Park.

Dr. Geetan Manchanda (an Associate Professor, Department of Mathematics) thanked the students for such a creative and beautiful presentation on the Life & Work of the great Indian Mathematician Srinivasa Ramanujan.

Dr. Izhar Uddin was then invited to present his knowledge on the topic Fixed Point Theory & its Applications to the audience. He used a very informal and simple language to explain this not-so-easy topic to his audience. He encouraged his audience to ask more and more questions. The audience was very satisfied with the presentation of Dr. Izhar Uddin on the topic Fixed Point Theory & its Applications.

Dr. Geetan Manchanda gave a vote of thanks to the guest speaker for taking out time from this busy schedule and joining for this celebration. Overall, the first event was a huge success.

The **second event** of the day was the **Ramanujan Quiz Competition**. It consisted of two rounds: Round 1 (based on Logical Reasoning) & Round 2 (Based on Life & Work of Srinivasa Ramanujan).

Round 1 was held through google forms at 1PM. This round consisted of 50 Logical Reasoning Questions and the time allotted for the same was 10 minutes. A total of 53 participants submitted the quiz on time. The top 10 scorers of this round were allowed to move to Round 2.

Round 2 was held through Google Meet. Here, the host, Ms. Aadya Khullar (3rd yr student, Bsc.(H) Mathematics) presented 20 questions in front of participants one by one. Participants were marked +5 for each correct answer and -2 for each wrong answer. In the end, Dr. Deepti Kaur (an associate professor, Department of Mathematics) was invited to announce the results for the Round 2 Quiz.

Winners were:

1st Position: Reeva, Bsc.(H) Chemistry, 3rd yr, Maitreyi College

2nd Position: Manvi Jain, MBA, 2nd yr

The department awarded the 1st prize winner with a cash prize of Rs. 1500/- and 2nd prize winner with the cash prize of Rs. 1000/-

The **third event** of the day was an **Online Poster Making Competition** on the topic: Who is Ramanujan? It was held through google forms and the department was accepting entries till 23rd December 2022, 12PM. The department got 23 entries in all. The results for the competition were announced on 23rd December 2022 at 4PM.

The **winners** of the competition were:

1st Position: Prerna Dumka,

2nd Position: Aanchal Chaurasia

The department awarded the 1st prize winner with a cash prize of Rs. 1000/- and 2nd prize winner with the cash prize of Rs. 500/-

Significance of the Event:

The students learned about the history of the National Mathematics Day, life and work of a known mathematician Srinivasa Ramanujan. This knowledge was also spread to the students even outside the college through competitions and the inaugural session.

PAPER PRESENTATION COMPETITION
College Level Competition
Topic: Interdisciplinary Nature of Mathematics
Date: 21-11-2022
Organized By: The Department of Mathematics
No. of Participants: 9

Report:

Gradient: The Mathematics Society of Mathematics, conducted a Paper Presentation Competition on **21st November 2022** at **4:00 pm** on the topic “**Interdisciplinary Nature Of Mathematics**” in Online Mode via Zoom platform. **Dr. Pawan Kumar** and **Mrs. Nikita Mittal** were the Judges. The Competition started with **Ms. Shivangi Pandit** (President, Gradient: The Mathematics Society of Maitreyi College) and **Ms. Kanika Singh** (3rd-year student) introducing the judges to the participants.

Dr. Pawan Kumar is an Assistant Professor at Maitreyi College. He completed his Master's in 2010 from MMH College Ghaziabad, CCS University Meerut, and his Ph.D. in 2020 from DR. APJ Abdul Kalam Technical University, Lucknow. He has published 30 research papers in reputed National and International Journals and has also been awarded the Young Scientist Award in 2021.

Mrs. Nikita Mittal is also an assistant professor at Maitreyi College. She completed her Master's in 2009 from IIT - Delhi and her M.Phil in Mathematics from the University of Delhi.

There were **six teams**, and each was given a time limit of 8 minutes to share their presentation + 2 minutes of the question-answer round with the judges. The technical team was taking care of the time taken by every participant. One by one the host called all the teams and asked them to share their screen and demonstrate their presentation. Judges asked some questions to the participants at the end of their presentation.

In the end, the results were announced. The winners of the event were:

1st position - Aruni Saxena (pursuing Bsc.(H) Mathematics, 3rd yr, JMC College)

2nd position - Mukhar Bharadwaj (pursuing Msc.(H) Chemistry, 2nd yr, NSUT)

Significance of the Event:

The students who are interested in research work got a platform to showcase their research on the topic “Interdisciplinary Nature of Mathematics” and compete with other students on an intercollege level.

PAPER PRESENTATION COMPETITION

Topic

INTERDISCIPLINARY NATURE OF MATHEMATICS

11 AM, 11 NOVEMBER 2022
PAPER SUBMISSION DUE DATE: 8 NOVEMBER, 11:59 PM

1st prize: Rs 1500/-
2nd prize: Rs 750/-

For details, open to Students of All Courses. Register by visiting www.maitreyi.ac.in

Chair & Patron: Prof. Neelima Chandra, Principal
Convener: Prof. Rani Gupta, Associate Professor
Coordinator: Dr. Ruwan Sharma, Assistant Professor

RULES

TEAM FORMATION :

- Each team can have maximum of 3 participants.
- 3rd participants can be part of more than one team.
- It is not necessary that the participants forming a team should be from the same college.
- There is no restriction on the number of teams from the same college.

PAPER FORMAT :

- The paper should be in IEEE format.
- Abstract may not exceed the limit of two pages.
- The front page should have title of paper on the top and the details of the team members at the bottom. (As mentioned in abstract)
- It should have abstract attached.
- Font style for text: Times New Roman
- Font size for text: 12 points
- Font size for headings: 16 points
- Font size for sub-headings: 14 points
- Margine of 1 inches from all sides.

LAST DATE OF PAPER SUBMISSION: 8 NOVEMBER, 11:59 PM

PRESENTATION :

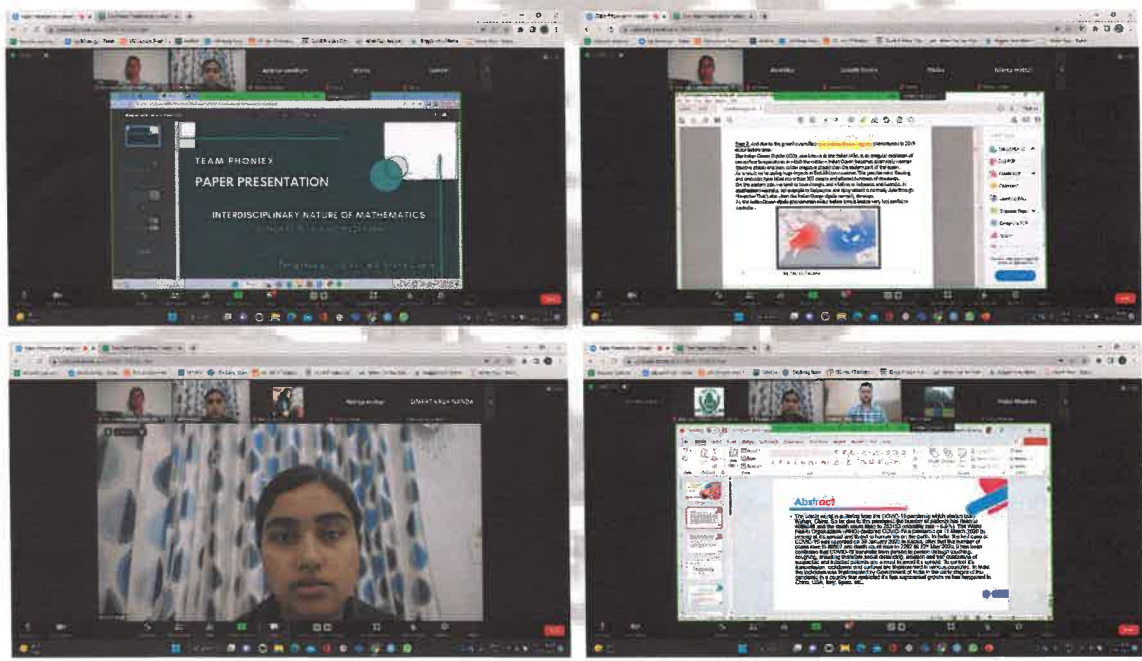

- The paper submitted will have to be presented during the event.
- Hard copies of the same are to be submitted before presentation to judges.
- The Teams will get 8 minutes to present their paper. Add 2 minutes will be for questioning by judges.
- The participants will have to present their papers in MS-Power Point tool for this only.
- Violation of any rule can result in rejection of paper.

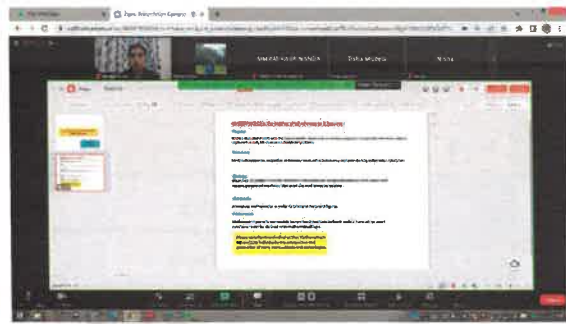

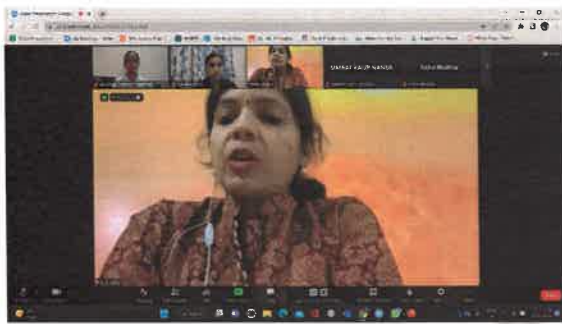

RULES & REGULATIONS :

- Your work should be original and in the specified format.
- Interested candidates are advised to read the complete paper in IEEE format and presentation in PPT or PDF format.
- Students are requested to send their papers on gradient@maimaitreyi.ac.in
- The participants to abstracted computers will be performed by Google IT on by Google.
- The interested teams have to bring a soft copy of paper in CD/USB Drive and 2 hard copies of paper at the time of presentation.
- Coverage of knowledge and the present heads shall be treated as final and binding on all and cannot be contested.
- Directly copying over the internet is strongly discouraged and will not be entertained.
- All the candidates will get participation certificates. A cash prize for winners.
- 1st Prize: Rs. 1500/-
2nd Prize: Rs. 750/-
- The participants should come with their college ID Cards. Soft Entries are also accepted.
- For any clarification or further details interested candidates can contact the Faculty or Student coordinators.
- Jury decision will be final decision.

**Title of the Event: 'Mathematics behind
Space Flight Dynamics'**

National Webinar

Date: 05-11-2022

Name of the organising Department: Department of Mathematics

Name of the convenor: Ms. Rajni Gupta

Name of the coordinator: Dr. Neelima Ohri

Resource Person: Mr. Satyendra Singh (Scientist, ISRO, Bengaluru)

Number of Participants: 103 online, 43 offline (All from Maitreyi College)

REPORT

On 5th November 2022, Gradient – The Mathematics Society of Maitreyi College organised a national webinar on **MATHEMATICS BEHIND SPACE FLIGHT DYNAMICS**. The department got an overwhelming response of 146 registrations for the webinar. It was hosted by Sneha Yadav (2nd year) and was conducted in **hybrid mode** via Zoom platform as well in Seminar Hall, Maitreyi College at 10:30 a.m. on the above mentioned date.

The guest speaker for the event was **Mr. Satyendra Singh** who is a **scientist** at Indian Space Research Organization (**ISRO**), Bengaluru having valuable experience of 12 years in the field of flight dynamics. The discussion was evident of how several mathematical concepts play an integral role in flight dynamics. From setting up the antenna for tv cable to launching a satellite, Mr. Satyendra explained the procedures very methodically and beautifully in the easiest way possible.

The event was concluded by vote of thanks delivered by Dr. Neelima Ohri and Dr. Shelly Verma. It is the department's honour to say that the interactive talk was definitely a success and has benefitted the attendees.

Significance of the event: This webinar helped the students to get acquainted with the research work carried out by scientists at ISRO thereby providing them the exposure regarding various applications of mathematics.

Circular restricted three body problem

$$\ddot{x} = -\frac{\mu_1}{r_1^3}x - \frac{\mu_2}{r_2^3}x$$

$$\ddot{y} = -\frac{\mu_1}{r_1^3}y - \frac{\mu_2}{r_2^3}y$$

$$\ddot{z} = -\frac{\mu_1}{r_1^3}z - \frac{\mu_2}{r_2^3}z$$

$$r_1 = \sqrt{x^2 + y^2 + z^2}$$

$$r_2 = \sqrt{(x-x_2)^2 + (y-y_2)^2 + (z-z_2)^2}$$

Ms. Rajni Gupta
Teacher In-Charge
Mathematics Department

ONLINE RANGOLI MAKING COMPETITION
College - Level Competition
Date of Event: 24th October 2022
Organized By: Gradient- The Mathematical Society, Maitreyi College
Total Number of Participants: 07

Report:

Gradient: The Mathematics Society of Maitreyi College, organized an Online Mathematical Rangoli Making competition on 24th October 2022. The last date for application and submission of rangolis was 23rd October 2022. The best three entries were posted on the Gradient's Instagram handle and the winner was decided on the basis of no. of likes each rangoli got. The rangoli with the maximum number of likes was declared 1st and 2nd and so on. Students from not only the Mathematics Department but also other courses and other colleges participated in the competition. The department heartily congratulates the winners of the competition:

1st position: Anuradha- Bsc.(H) Mathematics, 3rd year, Maitreyi College (217 likes)

2nd position: Anjali- B.A. Prog, 3rd year, Maitreyi College (67 likes)

3rd position: Devanshi Jain- PG Diploma in Computer application, 1st year, IGNOU – SPD (51 likes)

Significance of the Event:

This competition gave the student artists a chance to showcase their talent through their beautiful Rangolis using the elements of mathematics and compete with other artists.

Poster of the contest:

List of participants:

Email Address	Name	College	Course	Year
ag9338119@gmail.com	Anjali	Maitreyi college	B. A. Prog.	3rd Year

Signature of Convenor

**'ENTREPRENEURSHIP DEVELOPMENT PROGRAM & CREATING AWARENESS
ON VEDIC MATHS**

National Seminar

Date: 15-09-2022

Name of the Organizing Department: The Department of Mathematics

Name of the Convenor: Mrs. Rajni Gupta

Name of the Coordinator: Dr. Pawan Sharma

Resource Person: Ms. Kanika Chawla (Training Head at IIVA)

Total Number of Participation: 179

Number of Participants from Maitreyi College: 105 (offline) + 20 (online)

Report:

Gradient: The Mathematics Society of Mathematics, conducted a seminar on **15th September 2022** from **11AM - 1 PM**, on the topic "Entrepreneurship Development Program & Creating Awareness on Vedic Maths" by **Ms. Kanika Chawla** in the New Seminar Hall (In New Science Block).

Ms. Kanika Chawla is a Training Head at IIVA (VEDIC MATHS AND ABACUS).

The Seminar was conducted in **hybrid mode** i.e. both offline and online mode (through google-meet). The department got an overwhelming response through 179 registrations, of which 105 students attended the seminar in offline mode and around 20 students joined in online mode. **Ms. Aadya** (3rd-year Student) and **Ms. Meenal dixit** (2nd-year student) were handling the google meet. Students from not only the Mathematics Department but also other courses participated in the event.

The seminar started with **Ms. Sneha Singh** (2nd-year student), giving a small introduction about the speaker, and introducing her to the audience. The mic was then handed over to Ms. Kanika Chawla Mam to start the session. She was given earphones so that students joining online could also hear her. She touched upon topics like - Vedic maths intro + benefits, Multiplication by 11 & 111 with sutra explanation, squares with sutra and sub sutra, multiplication by no of 9's with sutra explanation, algebraic division with sutra explanation.

In the end, the stage was left open for queries from the participants. The feedback forms were also circulated among the participants. Ms. Sneha Singh (2nd - year student) thanked the speaker on behalf of the entire Department of Mathematics and invited Dr. Deepti kaur and Ms. Priyanka Sahni to present a plant to Ms. Kanika Chawla and honor her presence at the event.

Overall, it was a fruitful session. All the students learned a lot in the session and were highly satisfied with the session.

Significance of the event:

This seminar helped students to gain insights about vedic math and career opportunities in this field. The students gained pride about a subject which originated in India. The students also learned the benefits of vedic math in competitive exams and in life.

Poster of the event:

THE DEPARTMENT OF MATHEMATICS
Maitreyi College
University of Delhi
(Accredited Grade A by NAAC)

In collaboration with:
Indian Institute of Vedic Maths & Abacus (IIVA)
Under RP Skills Education & Development Trust
presents
National Seminar

"Entrepreneurship Development Program & Creating Awareness on Vedic Maths"

On the 80th anniversary of the birth of Mahatma Gandhi, PM Modi spoke about the contributions of India in the world's field for the creation of zero and Vedic Maths. On Vedic Maths, he said, Vedic Maths helps in taking the most difficult calculations in the blink of an eye. It is gaining popularity among the youth.

Vedic mathematics is a collection of sutras or methods to solve mathematical calculations fast and accurately. It has 16 sutras (Formulas) and 13 sub-sutras (Sub-Formulas). These sutras and sub-sutras are used to solve arithmetic, algebra, geometry, calculus, conics, etc.

Topics to be covered:	Benefits of Learning Vedic Maths:
<ul style="list-style-type: none">- Vedic Maths intro plus benefits.- Multiplication by 11 & 111 with sutra explanation.- squares with sutra and sub - sutra.- multiplication by no of 9's with sutra explanation.- algebraic division with sutra explanation.	<ul style="list-style-type: none">- Helps The Teacher to upgrade the skills in Mathematics.- To Increase Aptitude.- To Increase Self - Confidence.- Helps the Child to prepare for Competitive Exams.- Become Govt. Certified Trainer Of Vedic Maths.- Creating Entrepreneurship and Job opportunities.

Date: 15th Sept'22
Time: 11 AM onwards
Mode: Hybrid (both online and offline mode)
Venue (Offline Mode): New Seminar Room
Platform (Online Mode): Google Meet.

Event: Students' Union Elections 2022-23
Intra - Departmental Election
Date of the event: 9th September 2022
Organized By: The Department of Mathematics
Number of Participants: 72

Report:

The Department of Mathematics, Maitreyi College organized its 1st offline **Students' Union Elections** after the COVID for the year 2022 -23 on **9th September 2022**.

The Election was held by the teachers and previous union of the department.

It was organised completely offline, from interested students offering their candidature, to students voting for their favourite candidate.

In the Elections, for the post of **President**, 3rd year students of the department were eligible. For the post of **Vice- President** and **Treasurer**, 2nd year students were eligible to offer their candidature.

Schedule of the Election:

- **7th Sept 2022** : The proposal of election was put forward by the department in front of the students.
- **7th Sept 2022**: Last date for the students to offer their candidature for Election.
- **8th Sept 2022**: Final list of candidates standing for elections was declared. Campaigning started among the students in offline mode and also through WhatsApp messages and posters.
- **9th Sept 2022**: Voting Day. Students of 2nd and 3rd year of the department casted their valuable votes for their favourite candidates for each of the three positions (President, Vice President, Treasurer,) from 1 PM to 2 PM .
- **9th Sept 2022**: Results of the elections were declared around 3 PM.

Following are the candidates who stood for the Election:

- For the post of President: **Ms. Shivangi Pandit** (3rd Year Student) .
- For the post of Vice President : **Ms. Ansha Bisht** (2nd year student), **Ms. Akshita Singh** (2nd year student) and **Ms. Nisha Choudhary** (2nd year student), and **Ms. Shikha** (2nd year student).
- For the post of Treasurer: **Ms. Sakshi Sharma** (2nd year student) .

Total 6 candidates stood for elections and around 72 students casted votes for their favourite candidates on 9th Sept 2022 between 1 PM - 2PM. The voting process was undertaken by Mrs. Monika Meena (Assistant Professor), Dr. Neelima Ohri (Assistant Professor), and Dr. Deepti Kaur (Assistant Professor). They made sure the voting was fair and moved smoothly. After careful observation of the votes of the students, results were finally declared at around 3 PM .

The elected candidates were:

President: Ms. Shivangi Pandit (with 100% votes)

Vice – President: Ms. Nisha choudhary (with 40% votes)

Treasurer: Ms. Sakshi Sharma (with 100% votes)

These students now form the new Students' Union of the Department of Mathematics, Maitreyi College for the year 2022-23.

The Department of Mathematics wishes a hearty congratulations and all the best to all the new members of the Students' Union. It was the combined efforts of the teachers, who organized the elections, and the students, who took part in it to make their favorite candidate win, which made the elections of 2022-2023 a huge success.

We wish a hearty congratulations and all the best to all the new members of the Students' Union. It was the combined efforts of the teachers, who organized the elections, and the students, who took part in it to make their favorite candidate win, which made the elections of 2022-2023 a huge success.

Significance of the Event:

This gave a chance to students to represent their peers and bring about the changes they would like to bring in the department.

Final List of Students:

PRESIDENT		
S. No.	Name	Year
1	Shivangi Pandit	3rd year

Title of the Event: 'How To Start A Start-Up'

College - Level Seminar

Date: 09-09-2022

Name of the Organizing Department: The Department of Mathematics

Name of the Convenor: Mrs. Rajni Gupta

Name of the Coordinator: Dr. Pawan Sharma

Resource Person: Mr. Kamal Chhabra, Founder & CEO of KC GlobEd.

Total Number of Participation: 79

Number of Participants from Maitreyi College: 79

Report:

Gradient: The Mathematics Society of Mathematics, conducted a seminar on **9th September 2022** from **11:30 AM - 1 PM**, on the topic "How to Start A Start Up" by **Mr. Kamal Chhabra, Founder & CEO of KC GlobEd**, an Ed-tech company in the old Seminar Room near the Library.

Mr. Kamal Chhabra is a Techno-commercial veteran with more than 16 years of experience in the Indian and International landscape. He is a US CPA and Indian CA. Mr. Kamal has also served as a Director, International Relations, North America at MSME & Startup Forum to promote and support Indian companies to expand their businesses in North America. Recently, he has mentored MSMEs & Startups and facilitated investment support for their growth.

Recently, Mr. Kamal cofounded an investor network platform called 'ScaleX Times' in the USA to bridge the gap between global investors and Indian ventures.

The department got an overwhelming response through 113 registrations, of which 79 students attended the seminar. Students from not only the Mathematics Department but also other courses participated in the event.

The seminar started with **Ms. Siya Dahiya** (2nd-year student), giving a small introduction about the speaker, and introducing him to the audience. The mic was then handed over to Mr. Kamal Chhabra sir to start the session. Mr. Kamal Chhabra, himself being an entrepreneur, touched upon each aspect of a Start-Up. He touched upon topics like - Business Idea, Idea Valuation, Product Development, Business Model, Tech - Development, 3rd Party Service Integration, Marketing & Branding, Digital Marketing, Statutory Requirements, and Scaling your Business.

In the end, the speaker thanked **Dr. Pawan Kumar** (Assistant Professor), coordinator for the event, for inviting him to take the seminar. He was obliged to share his experience with the students. **Ms. Siya Dahiya** (2nd - year student) thanked the speaker on behalf of the entire Department of Mathematics and invited **Dr. Pawan Sharma** (Assistant Professor) to present a plant to Mr. Kamal Chhabra and honor his presence at the event.

Overall, it was a fruitful session. All the students learned a lot about Start-up in the session and were highly satisfied with the session.

Significance of the Event:

This event helped the students gain insightful knowledge on how to start a start-up. They learned about the ups and downs of the journey in a startup and a correct path of start - up.

**Signature of the Convenor:
(Ms. Rajni Gupta)**

Title of the Event: Abscissa'22

National Level Virtual Fest

Date: 09-04-2022

Name of the organizing department: Department of Mathematics

Name of the convener: Dr. Geetan Manchanda

Name of the coordinator: Dr. Pawan Sharma

**Resource Person: Dr. Narendra Kumar Singh (Associate Professor,
Department of Mathematics, Government Post Graduate College, Dwarahat
Almora, Uttarakhand)**

Total Number of Participants: 532

Number of Participants from Maitreyi College: 81

Report:

The Department of Mathematics, Maitreyi College organized its annual departmental fest, Abscissa'22 on 9th April 2022 virtually, which observed a participation of 532 students from different colleges PAN india.

The event comprised of 5 interesting virtual competitions including Abacus 101: A Quiz Competition, Paper Presentation Competition, Maths Olympiad, Photography Competition & Meme Making Competition.

The event began with an inauguration at 10 AM. The event was held on Google Meet, where Ms. Awanya Dabas (President, Gradient) and Shivangi Pandit (Vice President, Gradient) welcomed everyone, followed by Ganesh Vandana and Lamp Lighting. After this, Mrs. Rajni Gupta (Assistant Professor, Department of Mathematics) delivered the welcome note.

Then we moved on to the inaugural talk on '5 Different yet Equivalent conditions to show completeness of \mathbb{R} ' by Dr. Narendra Kumar Singh. Dr. Narendra is an associate professor of the Department of Mathematics, Government Postgraduate College, Dwarahat Almora, Uttarakhand. He has done deep research in the field of Mathematics and has vast knowledge about the same. The talk focused on various real analysis related researches and findings. It was overall quite an interactive and educational talk.

Dr. Pawan Sharma (Assistant Professor, Department of Mathematics) delivered the vote of thanks to the speaker.

After this, the first competition of the event, Abacus 101: A Quiz Competition started at 11:30 AM. The quiz was held through google forms and contained 30 MCQ and TITA type questions based on Mathematics, Logical Reasoning and Simple calculations. A total of 129 students participated in the quiz. The top 2 scorers of the competition were Manoranjan Mohanty (Ramjas College, DU) and Brijesh Kishore Mishra (Ram Lal Anand College, DU).

The next competition was the Paper Presentation Competition on the topic 'Application of Mathematics'. The competition took place at 1 PM through Zoom Meeting Platform. There were a total of 12 papers. The top 2 presentations were presented by Mukhar Bhardwaj (Netaji Subhas University of Technology) and Ritika Tuteja (Gargi College, DU)

Next two competitions, Photography Competition (Theme: Maths on my way to college) and Meme Making Competition (Theme: Humor in maths) were held simultaneously where students had to submit their entries through a google form before 6 PM on the day of the event. A total of 46 and 87 students participated in Photography and Meme Making Competition respectively. Top 2 entries for the Photography Competition were by Jude Fernandes (Goa University) and Kinjal Agarwal (KMV, DU), and the top 2 entries for the Meme Making Competition were by Sampda Pandey (PGDAV College, DU) and Manisha (Maitreyi College, DU)

Last competition of the day was Maths Olympiad, held at 6 PM. It was a quiz competition consisting of 50 Mathematics and Logical Reasoning based MCQ and TITA questions. The students attempted the quiz through a google form. A total of 143 students participated in the quiz, out of which the top 2 performers were Prerna Dhankhar (Hindu College, DU) and Parul Agarwal (NIT Warangal).

All the top performers were awarded a cash prize of INR 2,000/- each and the second best performers were awarded with a cash prize of INR 1,000/- each. The top 2 performers from each competition were also awarded with Recognition certificates and Gift Hampers. Also, all the participants were given participation certificates and gift coupons.

The event was a huge success overall.

‘COVID Period: Learning Redefined’

College Level Webinar

Date: 06-04-2022

Name of the organizing Department: Department of Mathematics

Name of the convenor: Dr. Geetan Manchanda

Name of the coordinator: Dr. Pawan Sharma

Resource Person: Mr. Rajendra Dubey(Faculty, DIPS Academy)

Total Number of the participants: 44

Number of Participants from Maitreyi College: 44

Report:

The Department of Mathematics, Maitreyi College organized a seminar by **Mr. Ranjendra Dubey** on the topic **‘COVID Period: Learning Redefined’** on **6th April, 2022** at **1:00 P.M** in **Seminar Room**. Because of valuable support provided by Principal Mam Dr. Haritma Chopra, the session was conducted successfully.

DIPS Academy is an award winning and pioneer Institute in Mathematics and Statistics providing preparatory guidance to the higher education students who want to join IIT for MSc & PhD and Civil Services. Students who want to clear exams like IIT JAM, CSIR NET, UPSC IAS, join them for high quality education and guidance.

The session began with Ms. Shivangi Pandit (Vice President, Gradient: The Mathematics Society of Maitreyi College) welcoming all the students, faculty members and the speaker to the session. Ms. Shivangi introduced the speaker, Mr. Rajendra Dubey. Mr. Dubey is a seasoned mentor for mathematics and entrepreneur, with a vast teaching experience of more than 25 years in the field of Mathematics. He is a true learner and keen observer endowed with GOD gifted qualities of humor, presence of mind, wittiness and graced with natural talent of teaching. He focuses on holistic metamorphosis there by enriching the cognitive skills of the students from how thing work to why things work.

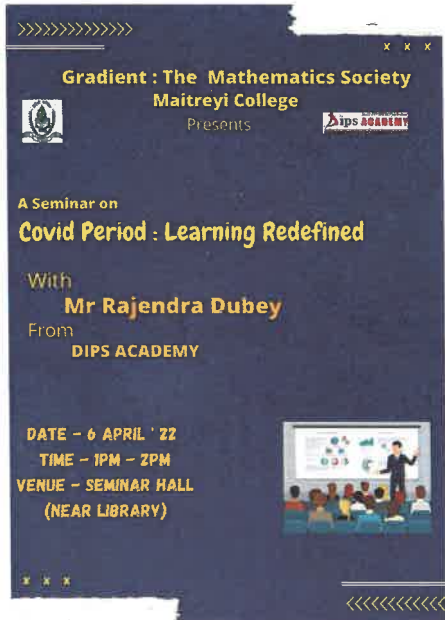

He talked about the importance of mathematics and other subjects in real life. He talked about the real meaning behind mathematics which is not actually numbers but logic. He said even a thing as simple as a pen can be mathematics if logic is applied to it. He also talked about the ways COVID has changed our lives as a student and a teacher, and then continued to talk about the ways of learning students should use to prepare for their exams.

The session ended with Ms. Shivangi giving the vote of thanks to the speaker.

The students found the session quite informative and engaging. Overall, it was a great session.

Significance of the event: The seminar helped the students to get an understanding of learning various concepts in a much simpler way. They got to know about the ways that can be used to get back to studies post COVID.

Title of the Event: ‘What it takes to build a career in Analytics’

National Webinar

Date: 28-02-2022

Name of the organizing Department: Department of Mathematics

Name of the convenor: Dr. Geetan Manchanda

Name of the coordinator: Dr. Deepti Kaur

**Resource Person: Ms. Ruchi Bhasin (Director, People analytics & Planning,
HARMAN)**

Total Number of the participants: 56

Number of Participants from Maitreyi College: 44

Report:

The Department of Mathematics, Maitreyi College organized a Webinar by Ms. Ruchi Bhasin on the topic ‘What it takes to build a Career in Analytics’ on 28th February, 2022 at 3:00 P.M via Zoom Meet. Because of valuable support provided by Principal Mam Dr. Haritma Chopra, the session was conducted successfully.

There are numerous promising careers that are available these days, one such career is Analytics. Skilled analysts are some of the most sought-after professionals in the world. Because the demand is so strong, and the supply of people who can truly do this job well is so limited, analysts command huge salaries and excellent perks, even at the entry-level.

The speaker Ms. Ruchi Bhasin is the Director, People analytics & planning at HARMAN. She received her MBA degree from Indian Institute of Foreign Trade, Delhi and has acquired varied analytics experience across Sales and Marketing, Supply Chain, Manufacturing Quality, Finance and HR- leverage AI and Technology.

The session began with Ms. Shivangi Pandit (Vice President, Gradient: Mathematics Society), welcoming the participants and the speaker, continued by Ms. Neha Nautiyal (Treasurer, Gradient) who introduced the Speaker. Then Ms. Ruchi started the lecture and elaborated on Analytics. She spoke about the difference between Analytics, Machine Learning and Artificial Intelligence. Ms. Ruchi Bhasin familiarized the participants with the courses available to build a career in analytics. She inspired and motivated the participants for never giving up in this career as it has a lot of scope in the coming years.

In the end there was a query session. All the queries asked by the participants were answered very well with detailed and clear explanations by the Speaker.

Dr. Deepti Kaur and Dr. Geetan Manchanda gave the vote of thanks. They also thanked the participants for being a part of the webinar. It was an enriching experience for all the participants. The department received extremely positive feedback. Overall, it was an insightful and informative webinar which was highly appreciated by all the participants.

DATE OF THE EVENT: 26th April 2022

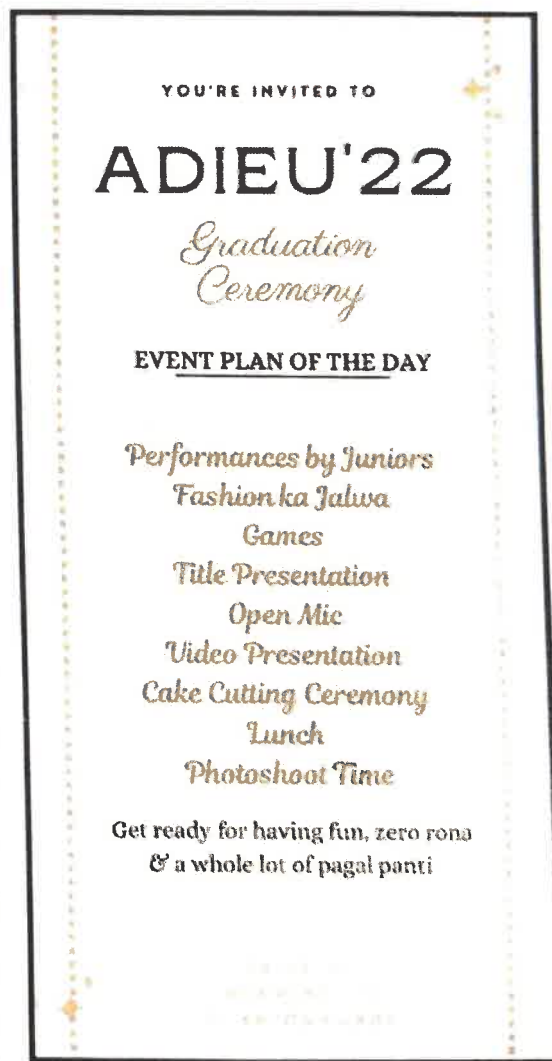

ORGANISED BY: Department of Mathematics

NUMBER OF PARTICIPANTS : 150

Gradient, The Mathematics Society of Maitreyi College, organized a farewell party on 26th April 2022, 11am onwards in Room No. 12 in college premises, for its final year students to celebrate their graduation and wish them good luck for their future endeavors.

The preparation of this event started a week ago with the support of Dr. Geetan Manchanda (TIC), Convenor and guidance of coordinator Dr. Neetu arneja , with 2nd and 1st year students reaching out to all their seniors and faculty members and inviting them for the farewell. The theme of the Party was **"Vogue"**.

Ms. Aadya Khullar (2nd year student) and Ms. Neha Nautiyal (Treasurer of the Mathematics Department), were the hosts for the event. The event started with Ms. Aadya Khullar, welcoming all the final year students and aculty members to the farewell party. She then invited Ms. Khushbu (2nd year student), to entertain the audience with her dance performance. Next performance was a group dance from 1st year students (Akshita Singh, Krati Agrawal, Nivedita Panwar, Priyanshi Joshi, Siya Dahiya, Neha Yadav, Sakhi, Aakanksha) followed by a singing performance by Ms. Kiran Kumari (2nd yr student). After the singing performance, Ms. Hiya Srivastava (2nd year student) was invited to give a speech for the outgoing batch, reminding them of all the sweet memories they had in the college and wishing them good luck for the future.

A Ramp Walk session was also organized for all the final year students giving them a chance to flaunt their style on the stage. The hosts for the Ramp walk were, Ms. Priyanka and Ms. Harshita Shekhar (1st yr students). At the end of the ramp walk, all the teachers were also invited to come and walk the ramp.

Again a series of performances started, this time, Ms. Ansha Bisht and Ms. Pallavi (1st year students) were called for a beautiful singing performance. This was followed by an energetic dance performance by Ms. Shivangi Pandit (Vice - President of

the Mathematics Department), Ms. Neha Nautiyal (Treasurer of the Mathematics Department), Ms. Aadya Khullar and Ms. Anshika Singh (2nd yr students). Adding a fun element to the event, a game was organized named, "Who Am I?", where Ms. Neha Nautiyal picked a chit from a box and read out the description about one of the 3rd year students and others had to guess who the person was. First 5 winners of the game were also given a gift box.

A Farewell party without titles isn't complete. Ms. Neha Nautiyal next, announced the titles for all the final year students one by one, and in the end, 3 special titles were given to the students of final year.

Ms. Gradient - Ms. Awanya Dabas (President of the Mathematics Department)

Ms. Well-Dressed - Ms. Aditi Lohbbah

Ms. Show Stopper - Ms. Vandana Yadav

After the titles, all the 3rd year students and faculty members were invited on the stage for the cake cutting ceremony, celebrating all the memorable years the students had in the college in these 3 years.

ally, the stage was left open for all the students and faculty members who wished to congratulate the final year students and wished them good luck for their career.

At last, a pizza lunch was organized for the audience. In the end, the students of all years came down and vibed and danced together to the disco music played one after the other.

The students that day did not want to leave the room even after the party ended and wanted to keep dancing and enjoying that moment of time like it will never come back to them again.

We all wish our final year students all the very best for their future endeavors.

Organized By : Department of Mathematics

Name of the Convenor: Dr. Geetan Manchanda

Name of the Coordinator: Dr. Pawan Sharma

Name of Resource Person: Dr. Jagmohan Tanti

Number of Participants: 60

Report:

The Department of Mathematics organized A National Webinar on "Modular Arithmetic" by Dr. Jagmohan Tanti. It was held on 14 February 2022, Monday, at 4 PM, via Zoom Meeting Platform.

Dr. Jagmohan Tanti, is an Associate Professor at Babasaheb Bhimrao Ambedkar University and has also obtained a Ph.D. degree in Mathematics from the University of Pune. He is an awardee of the Council of Scientific and Industrial Research for pursuing Research in the field of Mathematics. He also has numerous research publications to his name in several national journals of high repute.

We got a total of 90+ registrations for the webinar, out of which around 60 attended the webinar.

Neha Nautiyal (Treasurer, Gradient: The Mathematics Society of Maitreyi College) started the event with welcoming the speaker Dr. Jagmohan Tanti, Teachers and the participants. Ms. Neha Nautiyal read out all the rules to be taken care of during the session. She then introduced and invited the Speaker to begin with the talk.

The Speaker firstly thanked Maitreyi College, Dr. Pawan sharma (Assistant professor), and Ms. Neha Nautiyal for inviting him and giving him a platform to speak.

The session focused on briefing the students about the basis of Modular Arithmetic. The Speaker gave a detailed overview of 'What actually is Modular Arithmetic and what is the history behind it'. He defined that in mathematics, modular arithmetic is a system of arithmetic for integers, where numbers "wrap around" when reaching a certain value, called the modulus. Modular Arithmetic is a branch of arithmetic Mathematics related with "mod" operations. Basically Modular Arithmetic deals with the computations of mod of expression involving addition, subtraction, multiplication, division etc.. For integers symbols.

He taught some rules of Modular Arithmetic, the relevant equivalent relation and the quotient remainder theorem. Also, he explained the detailing of Modular Arithmetic by using some examples. He finished his talk by discussing a few methods to solve the problems on Modular Arithmetic.

Ms. Neha Nautiyal thanked The Speaker for such an informative session and moved on to the Question-Answer session. Each and every question was patiently explained by the Speaker. The participants were satisfied with the answers given.

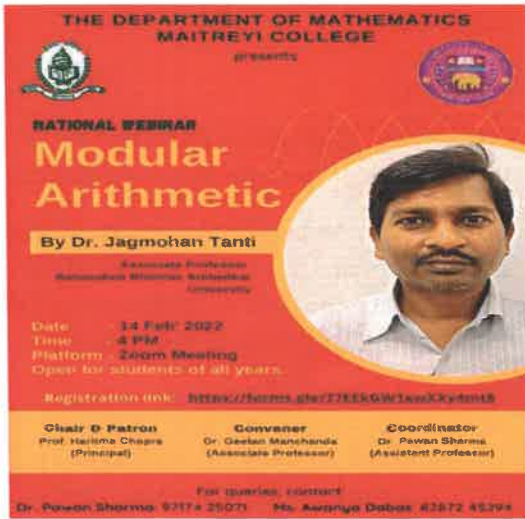

The event came to an end. Dr. Pawan sharma, delivered the vote of thanks to the speaker Dr. Jagmohan Tanti.

Ms. Neha Nautiyal ended the event by thanking the speaker Dr. Jagmohan Tanti, Convener Dr. Geetan Manchanda, Coordinator Dr. Pawan sharma and all the attendees. It was a successful event indeed.

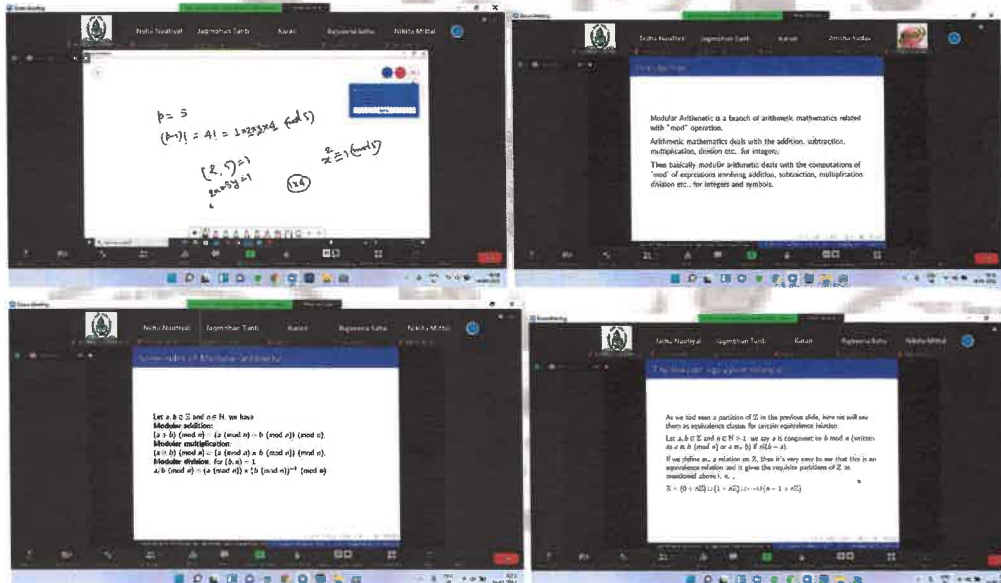

Significance of the Event:

The students learned about the detailing of Modular Arithmetic with the help of examples. Modular Arithmetic and what is the history behind it'. He defined that in mathematics, modular arithmetic is a system of arithmetic for integers, where numbers "wrap around" when reaching a certain value, called the modulus.

E-FRESHERS' DAY

Date of Event: 11th January 2022

Organised By: Department of Mathematics

Convenor of the Event: Dr. Geetan Manchanda

Number of Participants: 85-90

The Mathematics Department of Maitreyi College organized a virtual Freshers' Day Party for the new batch of 2021 on 11th January, 2022 from 11:00 AM – 12:30 PM via Zoom Meeting Platform. The theme of the party was the 90s era. Students and teachers were asked to dress up in retro style. There were around 90 attendees including the freshers, 2nd & 3rd year students, faculty members and the Office bearers.

The event began with Ms. Shivangi Pandit (Vice President, Gradient: The Mathematics Society of Maitreyi College) & Ms. Neha Nautiyal (Treasurer, Gradient: The Mathematics Society of Maitreyi College) welcoming all the attendees and the judge for Miss Departmental freshers contest, Dr. Anita from Hindi Department on behalf of the entire department of Mathematics.

To start the event on a peaceful note, a virtual lamp lighting ceremony and Ganesh Vandana recitation were held. After this, Sunanda from 2nd year gave a welcoming speech for the students of new batch, followed by an energetic dance performance by Akshita from 2nd year and an enthralling singing performance by Kiran from 2nd year.

After this, all the participants of the departmental miss freshers contest were asked to introduce themselves to the audience and the judge, Dr. Anita. There were a lot of 10 participants.

The list of the participants is as follows:

1	Krati
2	Siya Dahiya
3	Priyanshi joshi
4	Kareena Ashraf
5	Neha Yadav
6	Yashaswi Vidyarthi
7	Akshita Singh
8	Muskan dixit
9	Muskan
10	Sakshi Sharma

A week ago, all the participants were asked to walk down the ramp and make a small video showcasing their talent. The judging criteria of the miss freshers contest was based upon three rounds. Firstly, the received Ramp walk videos, secondly, the talent hunt round and last, the Quiz round.

After the introduction of the participants, their ramp walk videos were shown on the screen to the judge and the audience. This was followed by the talent hunt round, where participants presented their talent in front of our judge. The participants showed various talents including dancing, singing, drawing, and cooking.

Before beginning with the third round, the hosts played a short game called 'Would you rather' with all the attendees. The audience actively participated and made the game fun. Following this, the judge, Dr. Anita started with the Quiz Round and asked basic questions to all the participants of miss freshers' contest.

To give some time to the judge for evaluation of marks, the hosts, Neha and Shivangi initiated another game called 'Caption this', which was truly engaging and exciting. After this, Meghana from 2nd year recited a poem for the students of the fresh batch.

Now it was finally time for the results of the contest. Dr. Anita announced Priyanshi Joshi from 1st year as the winner of the miss freshers' contest. She congratulated Priyanshi and thanked the Department of Mathematics for inviting her.

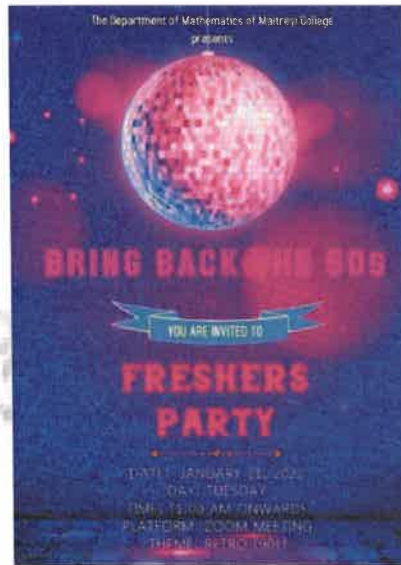

Lastly, Priyanshi gave a thank you speech and Aadya from second year gave an ending note. It was a great event and everyone seemed to enjoy it a lot.

Significance of the Event:

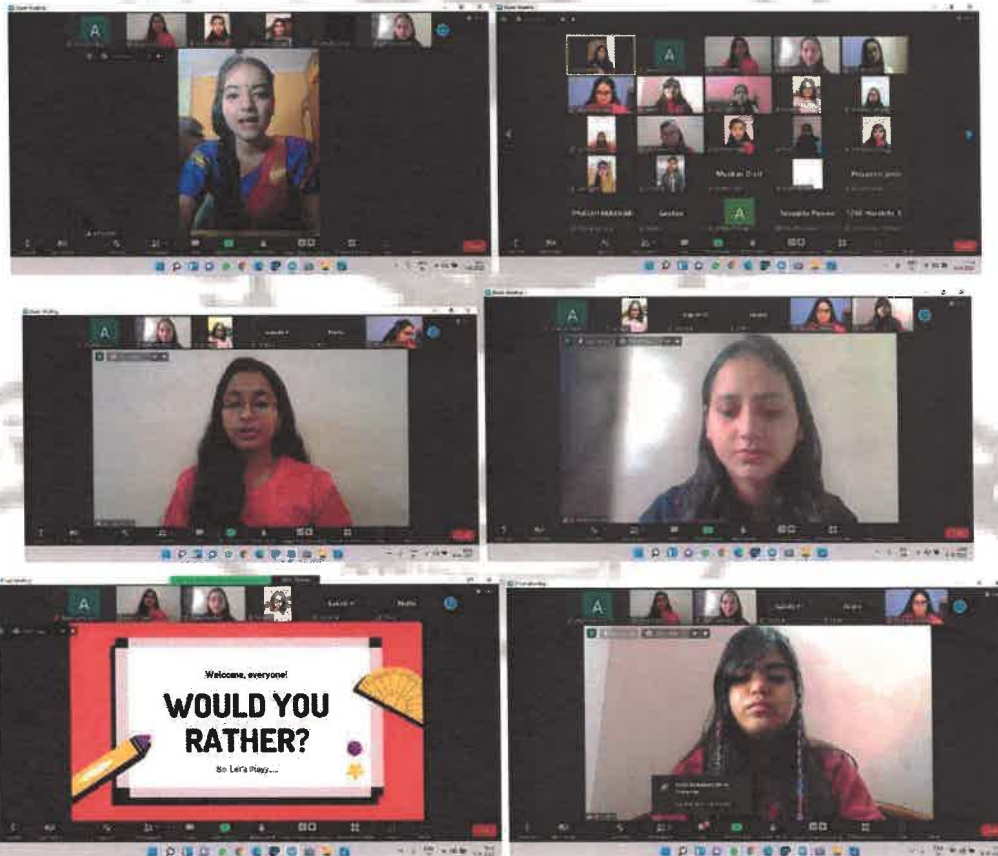

It is the dream of every fresher to have a freshers' party in their college. But due to the pandemic, none of the students met personally. E-Freshers gave them the chance to experience their dream of a freshers' party and have fun along with seniors, teachers and their other friends.

ORGANISED BY: Department of Mathematics

NUMBER OF VOTERS: 129

The Department of Mathematics, Maitreyi College organized its **Students' Union Elections** for the year 2021-22 on **5th January 2022**. It was organised **online** through Google forms.

The Election was held by the teachers and previous union of the department.

The Election was organised completely online - from interested students offering their candidature, to students voting for their favourite candidate.

In the Elections, for the post of **President**, 3rd year students of the department were eligible. For the post of **Vice- President** and **Treasurer**, 2nd year students were eligible and for the post of **General Secretary**, students of 1st year were eligible to offer their candidature.

Schedule of the Election:

- **31st Dec 2021:** The proposal of election was put forward by the department in front of students.
- **3rd Jan 2022:** Last date for the students to offer their candidature for Election.
- **4th Jan 2022:** Final list of candidates standing for elections was declared. Campaigning was started among the students through WhatsApp messages and posters.
- **5th Jan 2022:** Voting Day. Students of all three years of the department casted their valuable votes for their favourite candidates for each of the four positions (President, Vice President, Treasurer, General Secretary) from 10AM to 5PM.
- **5th Jan 2022:** Results of the elections were declared around 8 PM.

Following are the candidates who stood for the Election:

- For the post of President: **Ms. Awanya Dabas** (3rd Year student) and **Ms. Mausam Kumari** (3rd Year Student)
- For the post of Vice-President: **Ms. Sunanda Jha** (2nd year student), **Ms. Shivangi Pandit** (2nd year student) and **Ms. Priyanshi Verma** (2nd year student)
- For the post of Treasurer: **Ms. Neha Nautiyal** (2nd year student), **Ms. Kanika Singh** (2nd year student) and **Ms. Deepika Yadav** (2nd year student)
- For the post of General Secretary: **Ms. Nisha Choudhary** (1st Year Student), **Ms. Nisha Ahirwar** (1st Year Student), **Shikha** (1st Year Student), **Ms. Diya Rani** (1st Year Student), **Ms. Gauri Bansal** (1st Year Student), **Ms. Ansha Bisht** (1st Year Student), **Ms. Anisha** (1st year student)

PRESIDENT	
1	Awanya Dabas 3rd Year
2	Mausam Kumari 3rd Year

VICE PRESIDENT	
1	Sunanda Jha 2nd Year
2	Shivangi Pandit 2nd Year
3	Priyanshi Verma 2nd Year

TREASURER	
1	Neha Nautiyal 2nd Year
2	Deepika Yadav 2nd Year
3	Kanika Singh 2nd Year

GENERAL SECRETARY		
1	Nisha Choudhary	1st Year
2	Nisha Ahirwar	1st Year
3	Shikha	1st Year
4	Diya Rani	1st Year
5	Gauri Bansal	1st Year
6	Ansha Bisht	1st Year
7	Anisha	1st Year

Total 15 candidates stood for elections and around 129 students casted votes for their favourite candidates on 5th January 2022 between 10AM-5PM.

On 5th Jan 2022, after careful observation of the votes of the students, results were finally declared at around 8 PM.

The elected candidates:

President: Ms. Awanya Dabas (with 89.9% votes)

Vice – President: Ms. Shivangi Pandit (with 55% votes)

Treasurer: Ms. Neha Nautiyal (with 46.5% votes)

General Secretary: Ms. Nisha Choudhary (with 26.4% votes)

These students now form the new Students' Union of the Department of Mathematics, Maitreyi College for the year 2021-2022.

With the colleges holding these elections online, this can be made sure that even during the course of the pandemic, we all will not stop growing. We wish a hearty congratulations and all the best to all the new members of the Students' Union. It was the combined efforts of the teachers, who organised the elections, and the students, who took part in it to make their favourite candidate win, which made the elections of 2021-2022 a huge success.

ORIENTATION CEREMONY

Date: 22nd November 2021

Organized By: The Department of Mathematics

Name of the Convenor: Dr. Geetan Machanda

Name of the Coordinator: Dr. Archana Paradkar

Number of Participants: 70

Report:

The Mathematics Department of Maitreyi College organized a virtual Orientation Ceremony for the batch of 2024 via Google Meet platform. There were around 70 attendees including freshers, students from second & third year and faculty members.

The event began with Ms. Awanya Dabas (Vice President, Students' union of Mathematics Department) welcoming all the attendees on behalf of the Department of Mathematics, followed by Ganesh Vandana to invoke the blessings of the almighty.

The Mathematics Department of Maitreyi College has always strived hard for the betterment of its students and members. Its endeavor has been to contribute to the students' education not only by enabling students to get a degree, but also by developing in them the ability to think creatively and articulate their thoughts with confidence and conviction. This was shown to the students through a presentation including details about all the events organized by the department throughout the year.

After this, Ms. Sunidhi Chadha from third year sang a welcoming song for the freshers. This was followed by a virtual tour of the beautiful campus of Maitreyi College.

The event then proceeded with an introduction of the Faculty Members, followed by the introduction of all the students of the fresh batch.

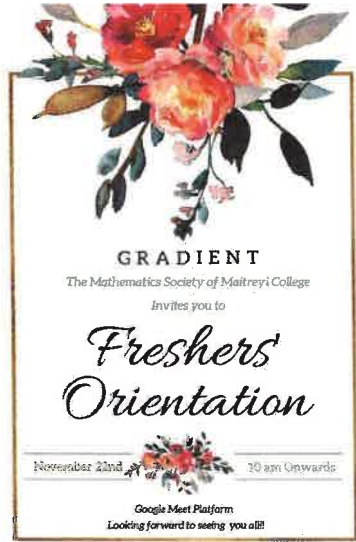

After this, there were a few games lined up for the students. Ms. Neha Nautiyal and Ms. Shivangi Pandit, students of second year, had planned different games for the freshers. Everyone enjoyed playing the games. The event ended with a thank you note from Ms. Awanya Dabas.

Everyone seemed to enjoy the event. Wishing all the best to the batch of 2024.

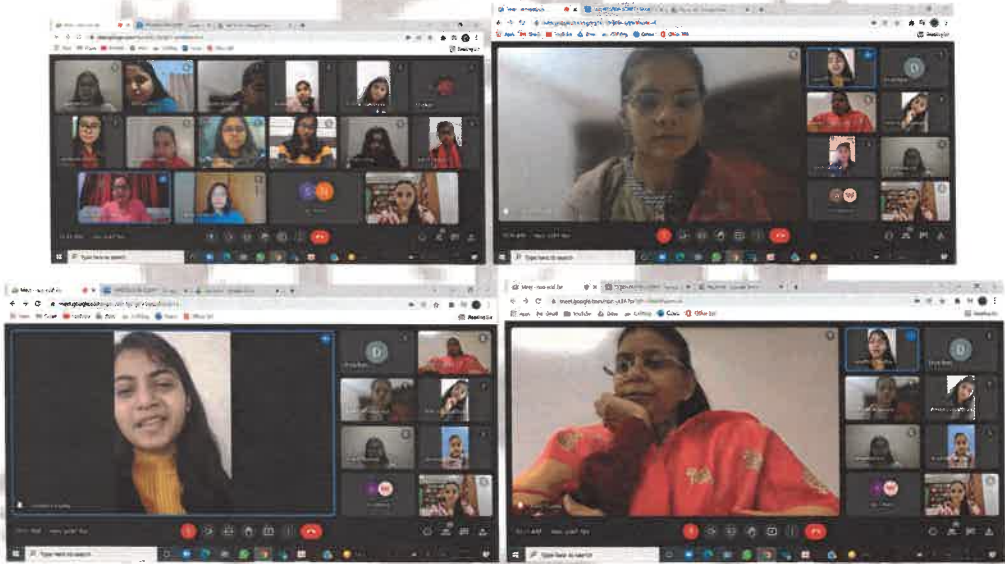

Significance of the Event:

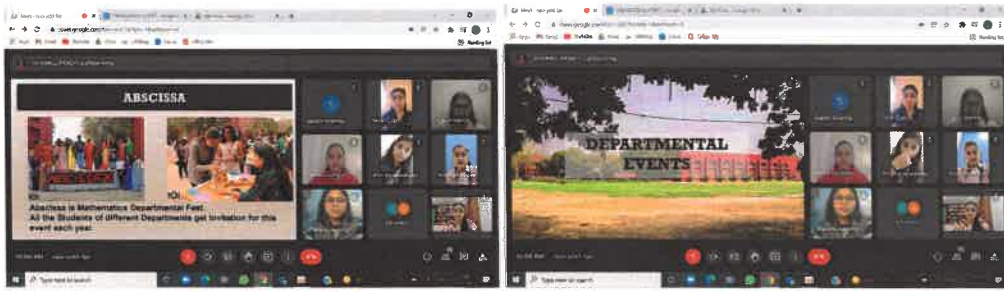

The new students got an opportunity to know about their department and meet their new teachers, seniors and friends even at the time of lockdown.
