Brief Description of Report

The Women Development Cell of Maitreyi College organized a webinar on 25th August, 2021 on the topic, "Laws relating to Women" which was addressed by a very well-known speaker Ms. Sheetal Chaudhary Pradhan. Ms. Sheetal is an Administrative Civil Judge at District Court, Saket. She is a well-reputed personality in the field of law and her presence was highly appreciated throughout the session. The session was open to all students, research scholars, and faculties across the nation and was attended by 126 participants. Principal, Prof. Haritma Chopra gave an introduction of how Maitreyi is a reflection of women's empowerment, how in ancient times women have been strong, and how the law can be understood by seeing both sides. She expressed her gratitude towards the Women Development Cell. Ms. Sheetal explained how laws are there but the execution is the problem as people have harrowing experiences in courts. Then she talked and elaborated on the Protection of Women from Domestic Violence Act, 2005, and the Sexual Harassment of Women at Workplace Act, 2013. These were gender-specific acts. She ended her presentation with an explanation of the protection acts, how can victims get immediate relief, and the maintenance provided by the government. In the end, the floor was open for questions and Ms. Sheetal answered each and every query with a satisfactory answer.
